There You Have It! Molly Stringer, 2016-04-05 One day after my computer had been hacked and I had changed my e mail address I sent out a message simply saying Just checking in to see if my messages were received The next day I sent out another Just checking in but I added an inspirational thought thus the pattern for this book was born Every day I began to write a message to whomever in my contact list would read it It was my devotional time shared I began to have others ask to be added to my e mail blog My thoughts began to expand I often woke up in the midnight hours with thoughts and stories from my life and experiences others had shared with me I am so excited to capture these thoughts and ideas that many times I get up in the wee hours of the morning to start my time with Him My mind is constantly open to receive what God brings to me My purpose and goal is to bring encouragement and life changing meaning to those who read my blogs I read and reread these blogs several times I feel the emotion and conviction that God places in them This has truly become a life consuming ministry for me I believe you could call me an Accidental Author *The Federal Reporter* ,1983
