

EXPLORING THE EPIC INTERFACE

EPIC (Electronic Procurement Information Centre) is a web based application used to purchase goods or services from suppliers. EPIC provides quick & simple access to negotiated pricing using on-line catalogs to help you create electronic requisitions that eliminates paper and reduces the need to copy and file requisitions while fast tracking the procurement process.

GETTING STARTED WITH EPIC

To access the EPIC tool, you must have claimed your UMNetID. If you already have this, please go to step #2

1. Claim UMNetID at: www.umanitoba.ca/umidm. Choose **Create UMNetID**.
2. JUMP is located at the top right hand corner of the U of M webpage or by going directly to www.umanitoba.ca/jump. Scroll to the **Quick Links** section and click on **EPIC**. This will open a new window and **auto log you into EPIC**.

NAVIGATION TABS

Home	Contains commands from all tabs. At a glance you can see Common Actions, Recently Viewed Documents, News, Search Bar, To Do list, along with the My Documents section.
Sourcing	Search Sourcing Projects and view the status of events you are involved in. Review sourcing events pending your review/approval.
Contracts	Create a new contract, view existing contracts you are involved in. Review contracts pending your review/approval.
Requisitions	Create a new requisition, search the catalog, create a catalog or non-catalog entry, search, and manage other requisitions.
Invoicing	Search invoices connected to your orders. Review invoices pending your review/approval.
Suppliers	Search for Suppliers that are available in the system.

SETTING UP YOUR DASHBOARD

You can easily customize your dashboards to display only the content items you are interested in, **minimize** or **maximize** their display, or **move** them to different parts on the page. You can also use the **Configure tabs** link in the upper right corner. After clicking that button, you can manage tab content such as **"Revert to Default Settings"** to revert back to the original view. You can use the **drag and drop** feature to plot content information into various dashboard locations to suit your needs. The **"To Do"** and **"My Documents"** content boxes are better utilized as full panel views to view all required action options (see screenshot below).

SETUP ACCOUNTING/SHIPPING INFORMATION

1. Click on the **Preferences** tab then select **Change your profile** from the drop down menu.
2. Edit default POAP or the default "Ship To" shipping address for your account.

EMAIL NOTIFICATION PREFERENCES

1. Click on the **Preferences** tab, then select **Change email notification preferences** from the drop down menu.

2. Click the **arrow** beside **Edit Preferences for**, then select the desired document type. For this example, select **Requisition** from the drop down menu.

Note: If you generally approve only one document type, you may want to make notifications more frequent for that document type.

3. Click the **arrow** beside the field **When I am an approver** to display the drop down options.
4. Select your choice (Send email immediately or Send email summary).
5. To turn off all email notifications, click the **arrow** beside the field **When I need to approve a document** to display drop down options and select

DELEGATING AUTHORITY

You can delegate user rights to another individual while you are away for a defined period. This allows the delegated individual to perform EPIC duties on your behalf. If you do not have default profile information entered, you won't be able to delegate— but the Aurora Finance Help Desk is happy to do this for you.

1. Click on the **Preferences** tab then select the **Delegate Authority** option.
2. Click **arrow** beside **Delegatee field**, click on **Search for more...** Type the name you need. Click **Search**. If you search using both the first and last name, please insert an extra space between the first and last name. **Select** the desired name.
3. Enter the **Start date & time**, **End date & time** and the reason for delegating, then click **Next**.
4. Click **Next** again to review changes (ignore approval flow).
5. Click **Submit** to confirm your request.
6. Click **Home**.
7. The next time the user who has been granted access to delegate logs in, the option to login as "yourself" or the delegatee is shown.

Epic Computer Program Manual Introduction

In the digital age, access to information has become easier than ever before. The ability to download Epic Computer Program Manual has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Epic Computer Program Manual has opened up a world of possibilities. Downloading Epic Computer Program Manual provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Epic Computer Program Manual has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Epic Computer Program Manual. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Epic Computer Program Manual. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Epic Computer Program Manual, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Epic Computer Program Manual has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
