Algebra II End of Year Challenge

Task:

You are to create a visual picture of your choosing that gives pictures **MUST** be approved. The pictures can be your own or I will include examples below. I would choose a visual in the creating the functions that will ultimately make the new topic should be related within the project and a list of all is included. I will provide you with a template to use for the 3 new function types, but you must use at least three types of functions included on this page. Your must also use a total of at least three types of functions.

Goals:

- Use domain and range to connect your functions to one another. Make sure to include any restrictions.
- You may use functions, equations, points, or inequalities.
- Don't edit in your last sheet...
- Domain is a great way to get an idea of what your class is.
- Give your art a title!
- Do NOT read the last minute to do this.

Materials/Provided:

- Calculator, construction paper, scissors, glue sticks, markers, function recording sheets.
