Fundamentals Of Corporate Finance:

Fundamentals of Corporate Finance Robert Parrino, David S. Kidwell, Thomas Bates, 2011-09-26 Fundamentals of Corporate Finance 2nd Edition offers an innovative integration of conceptual understanding and problem solving of intuition and decision making of the authors industry and classroom research experience with current real world examples and online practice Authors Robert Parrino David Kidwell and Thomas Bates believe that students who understand the intuition underlying the basic concepts of finance are better able to develop the critical judgments necessary to apply financial tools in real decision making situations Their text develops intuitive thinking while simultaneously helping students develop problem solving and computational skills It then shows students how to apply intuition and analytical skills to decision making while integrating it all with valuation and building shareholder value *Loose Leaf for Fundamentals of Corporate Finance*

Bradford D. Jordan, Professor, Randolph W. Westerfield, Prof Stephen A. Ross, 2021-03-01 Fundamentals of Corporate Finance was designed and developed for a first course in business or corporate finance for both finance majors and non majors alike The text is nearly self contained in terms of background or prerequisites assuming some familiarity with basic algebra and accounting concepts while still reviewing important accounting principles very early on The organization of this text has been developed to give instructors the flexibility they need The best selling text has three basic themes that are the central focus of the book 1 An emphasis on intuition the authors separate and explain the principles at work on a common sense intuitive level before launching into any specifics 2 A unified valuation approach net present value NPV is treated as the basic concept underlying corporate finance 3 A managerial focus the authors emphasize the role of the financial manager as a decision maker and they stress the need for managerial input and judgment **Fundamentals of Corporate Finance** Stephen A. Ross, Randolph W. Westerfield, Bradford D. Jordan, 2019 Corporate Finance by Ross Westerfield Jaffe and Jordan emphasizes the modern fundamentals of the theory of finance while providing contemporary examples to make the theory come to life The authors aim to present corporate finance as the working of a small number of integrated and powerful intuitions rather than a collection of unrelated topics They develop the central concepts of modern finance arbitrage net present value efficient markets agency theory options and the trade off between risk and return and use them to explain corporate finance with a balance of theory and application The Twelfth Edition includes many exciting new research findings as well as the incorporation of the Tax Cuts and Jobs Act TCJA throughout the text **Fundamentals of Corporate Finance** Stephen A. Ross, Mark Christensen, Michael Drew, Rob Bianchi, 2013-07-09 The sixth edition of Fundamentals of Corporate Finance continues its tradition of excellence ensuring the focus remains on key principles To accommodate courses which include coverage across a wider range of topics the authors provide additional chapters about Leasing Mergers and Acquisitions online Fundamentals of Corporate Finance strives to present the material in a way that makes it coherent and easy to understand Finance Prep Courses allow students to view a video to refresh topics and then answer questions to test their
