 - a. It includes all states.
 - b. It affects the illness of patients.
 - c. Insurance companies are not involved.
 - d. The major goal is to achieve optimal levels of health care.

ANS: D

The nurse must recognize that in the health care delivery system, the major goal is to achieve optimal levels of health care. The health care system consists of a network of agencies, facilities, and providers involved with health care in a specified geographic area. Insurance companies do have involvement in the health care system. The illness of patients is not necessarily affected by the health care system.
