

Letter Formation Guide

This year we will be using the Fundations Program to teach handwriting. This Letter Formation Guide will enable you to help your child form the letters correctly. **It is important to use this guide while helping your child with homework.** If we all use the same language when forming letters, your child will be more successful. I would also like you to encourage your child to use finger spaces, so that the letters are not crowded each line. Please use the picture below as a model for proper pencil grip.
