1. When it comes to farting, we agree not to pass judgement on one another.
2. We agree not to engage in any sexual activity or physical pleasure with anyone other than each other. Hugging others is allowable, so long as it does not exceed 10 seconds and there are no erections present.
3. We agree to talk every day (within reason) via text message, phone calls, or face to face, regardless of fight/anger or laziness.
4. We agree to see each other at least twice a week to "chill". This could include things like watching movies, having dinner, having coffee, hanging out with friends, and so on.

Career commitments may occasionally obstruct; if this is the case, and it is really required, once a week will be enough.

5. We agree to share intercourse at least two to three times a week unless distance or the female partner's period impedes with such activities.
