Supporting Individuals

Who Use Augmentative and Alternative Communication Eric J. Sanders,2022-12-02 Individuals with complex communication needs who use Augmentative and Alternative Communication AAC frequently encounter barriers that limit their ability to achieve their full potential in communication and in life These barriers include access barriers limitations in the current capabilities of the AAC user or the communication systems that they use as well as opportunity barriers e g policy practice knowledge skill and attitude barriers that extend beyond the AAC user It is essential to consider both access and opportunity barriers when designing systems and supports for individuals who use AAC However often the emphasis of research and practice is on addressing issues related to access barriers with far less attention to opportunity barriers Supporting Individuals Who Use Augmentative and Alternative Communication Breaking Down Opportunity Barriers is the first book to

focus specifically on practical strategies for breaking down opportunity barriers experienced by individuals who use AAC The text is divided into four sections with each section devoted to a frequently encountered opportunity barrier knowledge skill practice attitude and policy Within each section readers will a develop a deeper understanding of the impact of the barrier through the eyes of individuals who use AAC or their families b acquire knowledge based on current research and recommended practices related to addressing the barrier and c learn how professionals have successfully addressed the barrier via case examples from the field The final chapter provides readers with information as well as tools and examples about how to go beyond the book and actively address the unique opportunity barriers they encounter Key Features Includes in depth interviews with individuals who use AAC and their families Identifies evidence based and promising practices for addressing opportunity barriers Provides tips tools and resources for addressing opportunity barriers Illustrates successful strategies for addressing opportunity barriers through case examples and step by step guidelines for implementation Includes contributions from professionals in the field who have successfully addressed opportunity barriers in home school workplace and community settings Who Should Read This Book This book is designed to support those who find themselves frustrated by the opportunity barriers experienced by individuals who use AAC and are searching for ways to break down those barriers including people who rely on AAC speech language pathologists special education teachers occupational therapists physical therapists family members university students faculty in higher education and other professionals in school healthcare and community settings

**Handbook of Evidence-Based Practices for Emotional and Behavioral Disorders** Hill M. Walker, Frank M. Gresham, 2013-09-13 This handbook is designed for use by practicing professionals who are charged with accommodating the needs of students having emotional and behavioral disorders and problems within the context of schooling This handbook consists of 32 chapters and is divided into six sections 1 foundations 2 screening performance monitoring and assessment 3 interventions targeting specific disorders settings and or developmental levels 4 generic intervention approaches 5 early intervention and 6 research The editors view the book as a compendium of accessible best practices that if practitioners adopt and apply with high levels of treatment integrity will produce a strong impact on the emotional and behavioral problems that challenge the school success of EBD students
