**Don't Scare the Lost Sheep - Study Guide** Andy Adams,Jane Adams,2010-03 Witnessing is something that Jesus has commanded all of us to do Does that command make you a bit nervous Would you like a new form of witnessing that is not only comfortable for everyone involved but produces exceptional results Would you like to feel confident and relaxed while talking to others about faith Today there are definitely many negative stigmas surrounding the entire concept of witnessing the good news to others In fact while certainly well intentioned most current witnessing practices have limited success and have even driven millions of people further away from developing a personal relationship with Jesus Christ Christians desperately need to step back and take a strong look at the examples that Jesus Himself provided when witnessing to others If we emulate the examples of Jesus we can completely reinvent witnessing to once again be a positive enjoyable and most importantly successful part of every Christian s life Andy

Adams was not a Christian for most of his life He did not come to develop a relationship with Jesus Christ until the age of forty three During his pre Christian life many well intentioned Christians attempted to use the typical forms of witnessing on Andy Because of his history he has a unique perspective of what does and does not work In Don t Scare the Lost Sheep Andy will lead you through understanding the human behaviors along with basic concepts and processes related to witnessing help you to prepare yourself and develop a toolkit that you can easily use when the time comes for you to talk with others assist you in identifying potential witnesses guide you to set the stage for your efforts teach you to apply specific techniques that have a high probability of success with a very comfortable approach
