Williams M.A. Ph.D.,2011-08-04 This book is a revolutionary text for revolutionary spiritual times Facing imminent global financial collapse and great adversity for the foreseeable future people will need a powerful faith in God just to survive But who can have great faith if they dont know anything about God and how he works in our livesor if he even exists God reveals spiritual knowledge to mankind not in an even continuous flow but in rare bursts or quantum leaps forward The last such spiritual burst in

Christianity occurred almost 2000 years ago with the teachings of the New Testament Since then virtually no progress has been made in terms of spiritual insight into the Bible Even worse scholars today dont understand very well Gods lessons from the last burst Thats why youll find even prominent Christian teachers still debating such basic spiritual concepts as the following Can non Christians be saved What is the role of science and especially evolution in relation to the Bible What roles do free will and predestination play in our lives and salvation Unfortunately while Christian spirituality has remained stuck in the past mankind has pushed ahead into the twenty first century With the explosive growth of knowledge science and global communications Christianity must improve the way it addresses peoples spiritual concerns or face irrelevance and eventual extinction This book represents a revolution in spiritual understanding that takes Christianity into the twenty first century and beyond It is the latest burst of spiritual insight 2000 years in coming Mankinds oldest and most vexing spiritual questions are answered here in full accord with logic science and reason In addition the reader will find new insights into

Tao Te Ching: a Guide to the Interpretation of the Foundational Book of Taoism

Shantena Augusto Sabbadini, 2013-04-08 The Tao Te Ching is the foundational text of Taoism Traditionally considered the work of the Old Master Lao Tzu a senior contemporary of Confucius this 2500 years old text is a poetic and supremely concise formulation of some of humanity s highest wisdom Revered as a basic book of spiritual guidance throughout Chinese history it has become a beloved inspirational work in the West The present work is meant to help the Western reader to penetrate the depth and subtlety of Lao Tzu s wisdom without requiring a knowledge of the Chinese language Readers are offered a choice between various interpretations and are guided in non technical terms to explore how they originate More importantly they are also offered the possibility to hold all the various resonances of the text simultaneously just as a Chinese reader would and thus access the original wealth of meaning in a way no ordinary translation could convey

Notes, Critical and Practical, on the Book of Genesis George Bush, 1839

Fatal Flaws of The Most Correct Book On Earth Claude Heater, 2007-08 Born in Oakland California in 1927 the author received his High School education in California before joining the Marines at 17 before the end of WW 2 While pursuing vocal studies in Los Angeles he accepted an LDS Mission starting in Buffalo NY Finding many inconsistencies among missionaries he concluded to get his own witness With 3 days of fasting and prayer he read the BOM relying on Moroni s promise of asking God to reveal the truth of the BOM Positive confirmation never came The Mission President advised him to complete his mission saying he needn t teach anything he didn t believe A missionary chorus was formed and the choice made to tour his final months as soloist with the Utah Centennial Chorus After his mission he appeared in a Broadway Musical He left for Milan Italy in 1952 meeting his future wife on the ship After his operatic debut in Spain successful engagements followed that soon led to Berlin and a three year contract at the Vienna State Opera While singing in Rome a screen test led to Director William Wyler choosing Claude

for the role of Jesus in the Academy Award film Ben Hur After the Ben Hur experience Claude made another BOM attempt with a 3 day fast prayer at the Holy Trinity chapel of St Catherine Monastery at Mount Sinai Egypt As Dramatic Tenor he sang opposite such sopranos as Birgit Nilsson Renata Tabaldi Joan Southerland as Tristan Otello Siegfried Parsifal etc at Bayreuth La Scala and most major European opera houses After retiring he attended his local Ward with family becoming counselor in the Sunday school until he felt enough was enough Conducting a Testimony meeting he bore his lack of testimony publicly asking for excommunication as the only way to remove oneself from church rolls The Book of Hebrews George Wesley Buchanan, 2006-07-17 How fitting it is that after some thirty five years since the appearance of his original Anchor Bible Commentary on Hebrews Professor George Wesley Buchanan again turns his hand to this challenging document of early Christianity now as an intertextual commentary Here he further elaborates upon his novel thesis that Hebrews 1 12 is a midrashic sermon based on Psalm 110 giving special attention throughout to its frequent use of scripture The commentary in a way represents vintage Buchanan It is at once fresh bold provocative suggestive learned and filled with helpful insight Buchanan is equally conversant with ancient sources and modern scholarship including recent archaeology His masterful knowledge of Judaism displayed in many publications over the years pays rich dividends in the commentary Buchanan is never dull never predictable Never does one have the feeling that one is getting things second hand on the contrary it is continually evident that one is reading the result of a direct fresh encounter with the text Above all Buchanan does what he also asks his readers to do Think for yourself Knowledge after all will not progress if one accepts only traditional and settled opinions on everything This is anything but just another commentary on Hebrews It will engage and challenge readers as very few commentaries do Therefore I am happy to recommend it Donald A Hagner George Eldon Ladd Professor of New Testament Fuller Theological Seminary
