Foreword

The descriptions and service procedures contained in this manual are based on designs and methods studies current as of September 2013.

The products are under continuous development. Vehicles and components produced after the above date may therefore have different specifications and repair methods. When this is judged to have a significant bearing on the manual, an updated version of the manual will be issued to cover the changes.

The following levels of illustrations, cautions and warnings are used in this Service Documentation:

Note: Indicates a procedure, practice, or condition that must be followed in order to have the vehicle or component function in the manner intended.

Cautions: Indicates an unsafe practice where damage to the product could occur.

Warnings: Indicates an unsafe practice where personal injury or severe damage to the product could occur.

Danger: Indicates an unsafe practice where serious personal injury or death could occur.
