Environmental Information in Instructions for Use of Consumer Products Ari Nissinen, 2005-03-11 The European Union has highlighted the issue of environmentally sound use of products in the context of Integrated Product Policy IPP Accordingly consumers should have easy access to understandable relevant and credible environmental information Information about product characteristics is available in different forms and sources but in many cases relevant environmental information is not available on the product itself The study described in this report was initiated in order to produce information on the state of user instructions regarding environmental information User manuals of passenger cars and refrigerators were focused on examining the advice which could diminish the harmful environmental effects of the use of these products Other studied products included such durable products as textiles and furniture as well as such consumables as cleaning chemicals and recyclable paper products The study raised many ideas about actions that could promote the status and eco development of instructions for use TV Guide ,2002 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1954 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals **Bewitched Again** Julie D. O'Reilly, 2013-07-20 Starting in 1996 U S television saw an influx of superhuman female characters who could materialize objects like Sabrina the Teenage Witch defeat evil like Buffy the Vampire Slayer and have premonitions like Charmed s Phoebe The extraordinary abilities of these women showed resistance to traditional gender roles although these characters experienced infringements on their abilities in ways superpowered men did not Supernaturally powerful women and girls have remained on television including the heavenly connected Grace of Saving Grace telepathic Sookie of True Blood and magical Cassie of The Secret Circle These more recent characters also face numerous constraints on their powers As a result superpowers become a narrative technique to diminish these characters a technique that began with television s first superpowered woman Samantha of Bewitched They all illustrate a paradox of women s power are these characters ever truly powerful much less superpowerful if they cannot use their abilities fully The superwoman has endured as a metaphor for women trying to have it all therefore the travails of these television examples parallel those of their off screen counterparts **Verbal Behavior** Burrhus Frederic Skinner, 1957 Catalog of Copyright Entries.
