Elemental A Of Poetry

Scott Owens

Elemental A Of Poetry:

Elemental Scott Owens, 2025-08-15 In *Elemental* Scott Owens has crafted poems of praise and witness that connect me more deeply to the world and to my own heart. The language is both elegant and precise that is to say elemental. I'm here for the trees begins one poem and then in another he writes about eating wild strawberries. Little else could make me feel more alive. These poems explore the natural world with wonder, curiosity, and astonishment. Like any good naturalist, Owens looks and sees deeply, asks questions, makes connections, and shares with the reader what he learns. Whether it is through the lens of a mature gardener elbow deep in earth or a traveler venturing into new terrain, these poems bring the reader to a place where everyone remembers what it means to live. Pat Riviere Seel, author of *Because I Did Not Drown*. It's all happening here. Just look after rain, the hills fill up with mist, everything else just memory. Just Perhaps the mist is forgetfulness, perhaps ignorance, or willful turning away. Nevertheless, mist must part and memory stride out into the open, called forth by the elemental poetry of Scott Owens. *Elemental* is seeking discovery, self-revelation, assurance. Scott shares with us his essentials, those things in life possible to trust and to love. Shape of tree, breath of breeze, turning season, end of days. From these lines may we each stride out to discover our own home on this earth. Bill Griffin, naturalist and poet at Verse Image, griffinpoetry.com. Scott Owens delves deep into the simple but precious things we take for granted and opens our eyes to see what he sees, what he hears, and feels to bring into consciousness those elemental parts of life. An emotionally intelligent person, he lives and breathes poetry, and we are the fortunate recipients. In this book, Scott's diversity of poetry rings out. Places from Arizona to Hayesville, NC, from the death of his beloved dog to Haiku. Each page takes us on a journey. We are eager to see where we will go next. Glenda Beall, author of *Now Might As Well Be Then*. About the Author: Scott Owens is the author of 24 collections of poetry and a recipient of awards from the Academy of American Poets, the Pushcart Prize Anthology, the Next Generation Indie Lit Awards, the North Carolina Writers Network, the North Carolina Poetry Society, and the Poetry Society of South Carolina. His poems have been featured on *The Writer's Almanac* eight times, and his articles about writing poetry have been used in *Poet's Market* four times. He has been twice nominated for the National Book Critics Circle Award and for North Carolina Poet Laureate. Owens holds degrees from Ohio University, the University of North Carolina at Charlotte, and the University of North Carolina at Greensboro. He is Professor of Poetry at Lenoir Rhyne University and a former editor of *Wild Goose Poetry Review* and *Southern Poetry Review*. He owns and operates Taste Full Beans Coffeehouse and Gallery and coordinates Poetry Hickory in Hickory, NC.

Elemental Akanksha Chokshi, 2018-11-26 Discover what is elemental to you and the elements will unite to save you. Feel the force of the universe: earth, fire, air, water, and self, and you will be in your element, balanced and at peace. Even with all your flaws, it is you that is elemental. This is me making sense of the world around me. This is me making sense of me. This is me and my journey. *Elemental* is a collection of prose poetry and photography.

Elemental Poetry Samuel Denhartog, 2024-01-20 Embark on a poetic odyssey through the periodic table.

with Elemental Poetry where each of the 118 elements tells its own unique story through the beauty of verse This enchanting collection by Samuel DenHartog transforms the building blocks of our universe into a vivid tapestry of rhythm rhyme and wonder making the complex world of chemistry accessible and engaging to all From the simplicity of Hydrogen to the complexity of Oganesson every poem in this book is a celebration of the elements that compose everything around us Elemental Poetry weaves together the strands of science and art revealing the hidden beauty and mysteries of the atomic world Through the lens of poetry the elements come alive each with its own personality story and voice This collection is more than just a literary journey it s an exploration of the fundamental substances that make up our world and the universe beyond Designed to captivate both the scientifically curious and the artistically inclined Elemental Poetry serves as a bridge between two worlds often seen as separate the empirical realm of science and the boundless domain of creativity Whether you re a student teacher scientist artist or simply a lover of poetry this book offers a new way to experience and appreciate the wonders of the periodic table Elemental Poetry In pages bound a journey through the chart A dance of elements a poetic art Each atom s tale uniquely spun Underneath the same golden sun From Hydrogen s light to Uranium s might In verses woven both day and night Their stories told in rhythmic tone In Elemental Poetry they find a home Metals and gases in stanzas align Their essence captured in every line From Neon s glow to Iron s forge A lyrical stream an elemental gorge In every verse a new world unfolds A tapestry of science in poetic molds Elements speak in whispers and roars Their secrets penned on these exploratory shores Elemental Poetry a fusion so rare A blend of science art and care In every element a new dream to chase A universe within a poetic embrace

Elemental Alice B. Fogel,1993 **Elemental** Denise Thompson-Slaughter,2010-09 Thompson Slaughter reveals her proficiency with many styles of formal poetry yet she shines most in her open form pieces through which honesty speaks loudest Sueann Wells Elemental Ruchika Pahwa,2021-10-21

Although this book is not a sequel to one of my previous books Seasonal Spices it picks up on the natural vibes of that book in order to display the newer shades of nature that are more basic or elemental Seasonal Spices had covered the seasonal colors of nature in its joyous and brighter hues while Elemental focuses on the soul of nature that is rooted in five elements of fire water air earth and space These elements are also the roots of human existence By understanding the deeper meaning and laws of these five elements we can understand our formation and the way we can balance our body mind and soul Such wisdom can ascend our chakras to attain more peace and happiness in this humanly life From Ayurveda yoga and meditation to changing our food habits and lifestyles there are several ways to balance the five elements of nature inside us Through Elemental you will experience a fulfilling journey that shows you the positive aspects of the behavior of each element or the state of matter This poetic ensemble carries the bubblyness and luminosity of all elements in their integrity and synchronous forms This micro poetry book carries 105 micro poems poems of 6 8 lines segmented into an opening section for each element 5 poems in total and a main section for each element 100 poems in total Elemental came into existence via my close

bond with nature and the cosmic inspiration that guided me to create it I have merged my spiritual experiences and life knowledge into this compilation that I'd like my readers to absorb word by word by diving into the depth of every facet of nature This is because every word is linked to the way an element manifests itself or produces harmony inside us So enjoy this ride on the wings of air and bubbles of ocean through the bumpy space and smooth sand by the cozy fireplace with this book in your hands I send you all my love and light with this creation Library of Congress Subject Headings Library of Congress,2007 Library of Congress Subject Headings Library of Congress.
