Every day in school is a learning experience. The early mornings that my mother prepares our breakfast; the sleepy faces of my sisters and younger brother as I wake them up; the travelling from Balsik to Sta Isabel; the energetic approaches of our instructors in every subject. The recess and the lunch breaks – They are all a part of my school routine. Taking notes from lectures; making assignments and reviewing previous lessons, submitting projects and passing our quizzes and exams – These are the crucial times of being a learner. Attending our classes together with my fellow students; making new friends and avoiding quarrels; and enjoying our daily school activities with my classmates. All of these are the main reasons why we are here right now. The journey to this very moment is not an easy ride. There are many twists and turns, rough roads, and obstacles but as we go along with the ride, with the help of our teachers, friends, and families, we now reached our destination. We thank you all for this wonderful journey.

To my teachers and parents, thank you for the opportunity to grow and develop my self-confidence and individuality here at _____ (name of school). It was a very joyful learning experience, and I'm sure it will be better for our students in the future.

This speech is not complete without expressing my gratitude to all of the people that helped us reach this happy moment of our school life. To my friends, Thank you for your never-ending laughter and sacrifices that helped me to be true to myself and to be open to everyone as my friend. To my teachers, thank you for the knowledge and patience. This day will not be special without your hard work in teaching us academics and how to be a good citizen. And for my parents, Ma, Pa, thank you for your love and endless support. I know that it's hard to build our

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
