Elephant Valley Love Tested:

Elephant Valley C. W. Fleming, 2014-12-26 *Elephant Valley Love Tested* is a realistic fiction novel that is a love story tragedy and eye opener to the global crisis of HIV AIDS The multi dimensional plots in this book explore hard hitting matters such as The impact of hip hop culture on HIV transmissions The role and responsibility of urban churches in addressing the rapid spread of the disease The atrocities that are being faced in Africa as a result of AIDS Conspiracy theories that are perpetuated surrounding HIV The need for testing and a reduction in HIV transmissions The information is real and relevant and the edutainment approach used to convey the knowledge is brilliant At its root *Elephant Valley Love Tested* is a love story between two stars who have the fame and power to literally impact the nations with their music But it doesn't take long before crisis breaks out and challenges them to search themselves for a deeper message to the world beyond their music At its highest point *Elephant Valley Love Tested* is a tragedy that reveals the depth of the pain and suffering that so many are facing as a result of AIDS The question becomes is the suffering self induced or is it being inflicted upon individuals and if so by whom At its core *Elephant Valley Love Tested* is an arsenal that is loaded with viable solutions to these unanswered questions about the global crisis that has violently assaulted so many This page turning novel is filled with faith and hope and possesses an inspiring message that reaches and teaches across the boundaries of age race sexual orientation and economic status *Elephant Valley Love Tested* is a picture of what it means to have love tested on many levels and to triumph At the same time it is an experience that will leave you asking yourself has your love been tested

Make Elephants Fly Steven S. Hoffman, 2017-11-14 Drawing on examples of the hottest innovators in Silicon Valley this step by step guide will show you how to develop test and launch your impossibly big idea to success Almost every major company today has made innovation its number one priority Yet fewer than one in four executives believe their organizations are effective innovators The pressure to innovate and the price paid for failure keeps rising while most companies haven't progressed at all They are still using the same antiquated techniques pioneered decades ago This is why some of the biggest corporations in the world manage to lose entire markets to startups they've never heard of In today's world everyone will need to innovate to stay competitive It doesn't matter if you're a startup founder corporate executive small business owner freelancer or professional there's a technology out there that's going to upend your industry And if you aren't able to harness it to your advantage someone else will Innovation is no longer an option it's the price of admission into the business world *Make Elephants Fly* is designed to help you implement the same innovation methodologies and processes as Silicon Valley startups It will teach you How startups come up with breakthrough products and services How to structure innovation teams The best ways to identify and vet new ideas What it takes to foster a culture of innovation How to establish a process of innovation throughout your organization By the time you've digested this book you will have the tools needed to take your impossibly big idea and make it fly
