Jaeger, Thomas Webler, Eugene A. Rosa, Ortwin Renn, 2013-11-05 Risk as we now know it is a wholly new phenomenon the by product of our ever more complex and powerful technologies In business policy making and in everyday life it demands a new way of looking at technological and environmental uncertainty In this definitive volume four of the world's leading risk researchers present a fundamental critique of the prevailing approaches to understanding and managing risk the rational

actor paradigm They show how risk studies must incorporate the competing interests values and rationalities of those involved and find a balance of trust and acceptable risk Their work points to a comprehensive and significant new theory of risk and uncertainty and of the decision making process they require The implications for social political and environmental theory and practice are enormous Winner of the 2000 2002 Outstanding Publication Award of the Section on Environment and Technology of the American Sociological Association *European Journal of Tourism Research* ,2015-07-01 The European Journal of Tourism Research is an interdisciplinary scientific journal in the field of tourism published by Varna University of Management Bulgaria Its aim is to provide a platform for discussion of theoretical and empirical problems in tourism Publications from all fields connected with tourism such as management marketing sociology psychology geography political sciences mathematics statistics anthropology culture information technologies and others are invited The journal is open to all researchers Young researchers and authors from Central and Eastern Europe are encouraged to submit their contributions Regular Articles in the European Journal of Tourism Research should normally be between 4 000 and 20 000 words Major research articles of between 10 000 and 20 000 are highly welcome Longer or shorter papers will also be considered The journal publishes also Research Notes of 1 500 2 000 words Submitted papers must combine theoretical concepts with practical applications or empirical testing The European Journal of Tourism Research includes also the following sections Book Reviews announcements for Conferences and Seminars abstracts of successfully defended Doctoral Dissertations in Tourism case studies of Tourism Best Practices The European Journal of Tourism Research is published in three Volumes per year The full text of the European Journal of Tourism Research is available in the following databases EBSCO Hospitality and Tourism CompleteCABI Leisure Recreation and TourismProQuest Research Library Individual articles can be rented via journal s page at DeepDyve The journal is indexed in Scopus and Thomson Reuters Emerging Sources Citation Index The editorial team welcomes your submissions to the European Journal of Tourism Research **Social**

Networks, Innovation and the Knowledge Economy Isabel Salavisa,Margarida Fontes,2012-07-26 In this book the authors illustrate how social networks can play a very significant role in the technological catch up process in moderate innovative countries Using an innovative approach to the study of entrepreneurship in knowledge intensive sectors the book analyses the role of social networks in the access and deployment of the variety of competences and resources required for the successful creation of knowledge intensive companies which has not yet been studied sufficiently in this context

Visionary Leadership Thomas E. Anderson, II,2024-09-20 This book provides managers and leaders with a conceptual framework for visionary leadership to help them rediscover their vision in a more meaningful way with long lasting results It guides managers and leaders through four overlapping phases of the vision development and realization cycle at different levels and during various life stages It teaches leaders to embrace employees as visionary partners in the journey to build a better organization The founder CEO s journey to lead a high growth company begins with the ability to see their role within

the company and the company itself through new lenses While it requires a CEO to evolve and grow with their company as their plans for the company expand the visionary should not solely set their sights on new horizons Their ability to see within their company should become more granular as well Featuring real world case examples and chapter summaries with key takeaways this book allows the business leader to walk themselves through the process of visioning with their team from start to finish It also allows consultants and coaches to see the full lifecycle of a vision and support the visionary at any level of an organization
