The Encyclopedia of Canadian Organized Crime Peter Edwards, Michel Auger, 2012-07-31 Unbeknownst to most there has always been an active circle of crime in Canada From Al Capone who dodged the heat during Prohibition in a network of tunnels under Moose Jaw

Saskatchewan to Montreal's Rizutto family this updated edition of *The Encyclopedia of Canadian Organized Crime* profiles the most notorious criminals this country has ever seen. Reporters Peter Edwards and Michel Auger pool their research and expertise to provide a compendium of the personalities and crimes that have kept Canadian law enforcement busy for centuries. *Lesbian, Queer, and Bisexual Women in Heterosexual Relationships* Ahoo Tabatabai, 2015-10-29 This book draws on interviews with women who left relationships with women to begin relationships with men and uncovers how the women make sense of who they are. The women who leave female partners to begin relationships with male partners have the capacity to redefine their sexual identity. They can essentially call themselves whatever they want. However, their capacity for such a creative process is limited. In the process of framing their decision in a way that renders their claim to a stable identity legitimate, the women communicate their understandings of notions of identity, community, and belonging. The women also show a nuanced regard for sexual categories. They stretch the boundaries of some categories while preserving and even policing the boundaries of other categories. This book is in no way an ex-gay narrative. It is entirely the voices of feminist queer women who find themselves viewed by society as heterosexual but who themselves with two exceptions do not identify as such. This book is a rich collection of wonderfully human stories about what it means to be true to oneself. *Telling Sexual Stories* Ken Plummer, 2002-11 First published in 2004. Routledge is an imprint of Taylor & Francis, an informal company.

Ardenti Eskay Kabba, 2025-10-10 Their love is binding body and soul. It is also forbidden. As Chris the Ranger and Ciaran the Magi and Dragon Tamer grow closer, they find magic in their connection. But even for Ciaran Beals, strange things are happening to them. Chris Jennings can feel what Ciaran is feeling at any given moment, and Ciaran can share his thoughts telepathically with Chris. But a threat looms over their heads. Ciaran's family have no idea that Chris is a Commoner, a non-magical human. Magi around the world live by a set of laws made to keep them safe and most importantly invisible to the human world. And Ciaran has broken quite a few of them just to be with Chris. Ciaran needs to come clean and soon before they are separated forever. **People With HIV and Those Who Help Them** Carlton Munson, R. Dennis Shelby, 2013-12-02

In this guidebook *People With HIV and Those Who Help Them*, author Dennis Shelby uses the reported experiences of HIV-positive men to chart the course of living with HIV. He offers a consistent clinical-theoretical framework that encompasses the vast range of clinical problems clinicians may encounter in their work with HIV-positive individuals across the span of infection. This book provides a detailed account of the many psychological transformations that infected people experience. *People With HIV and Those Who Help Them* enables clinicians and students to better address the problems commonly encountered in clinical practice with persons with HIV. Clinicians will be able to gain perspective on the process of knowing one is infected; infected men will see their process mirrored and validated; and family, friends, and partners of infected men will gain a greater appreciation for the experience of their relative, friend, and partner. As clinicians have gained experience in

working with HIV positive people they have become increasingly aware of the complexity of successful clinical intervention with HIV related problems In his book Shelby breaks down this complex process into its component aspects psychological impact of HIV infection the process of adapting to the knowledge of infection the dynamic process involved with HIV infection common problems and solutions encountered by infected people case examples that illustrate the clinical framework intensive psychotherapy and HIV infectionThe study that is the basis for this book charts the initial psychological impact and many changes and transformations of the experience of being HIV positive While infected people are often encouraged to maintain hopeful outlooks and to think of themselves as living with HIV rather than dying from it it is often a long and arduous process to achieve and maintain this perspective People With HIV and Those Who Help Them is a guide to help those with HIV to keep a positive outlook on life **John Gay's The Beggar's Opera 1728-2004** ,2006-01-01 When Richard Steele remarked that the greatest Evils in human Society are such as no Law can come at he was not able to foresee the spectacular success of John Gay s satire of society the administration of law and crime politics the Italian opera and other topics Gay s The Beggar s Opera with its mixture of witty dialogue and popular songs was imitated by 18th century writers criticized by those on the seats of power but remained a favourite of the English theatre public ever since With N Playfair s 1920 revival and B Brecht s and K Weill s 1928 Dreigroschenoper Gay s play has been a starting point for dramatists such as V Havel Zebr ck opera 1975 W Soyinka Opera Wonyosi 1977 Ch Buarque pera do Malandro 1978 D Fo L opera dello sghignazzo 1981 A Ayckbourn A Chorus of Disapproval 1984 as well as others such as Latouche Hacks Fassbinder Dear Wasserman and Lepage Apart from contributions by international scholars analysing the above named plays the editors introduction covers other dramatists that have payed homage to Gay This interdisciplinary collection of essays is of particular interest for scholars working in the field of drama theatre studies the eighteenth century contemporary drama postcolonial studies and politics and the stage **The Law of Wills** William Herbert Page,1926
