

Diffusion

Tick the box to answer the question.

	True	False
Increasing the surface area decreases the rate of diffusion		
Particles move randomly		
Net movement of particles is from higher to lower concentration		
Increasing the temperature will increase the rate of diffusion		
The steeper the concentration gradient the slower the rate of diffusion		
Particles move up a concentration gradient		
The shorter the distance the particle has to move, the faster the rate of diffusion		

Name one example of where diffusion is occurring in humans and plants.

Humans: _____

Plants: _____

B2.1 - Supplying the Cell - Triple Biology Revision Sheet

Osmosis

Read the table right. Which row describe osmosis?

	Requires energy	Movement down a concentration gradient	Substance(s) moved
A	Yes	No	Water and glucose
B	No	No	Water only
C	Yes	Yes	Water and glucose
D	No	Yes	Water only

A student investigated the effect of sugar solution concentration on pieces of potato.

This is the method used.

1. Cut three pieces of potato to the same length.
2. Dry each piece on a paper towel.
3. Weigh each piece.
4. Place potato in different concentration sugar solutions.
5. Leave all three pieces for 2 hours.
6. Remove the three pieces of potato from the solutions.
7. Dry each piece on a paper towel.
8. Measure the length and mass of each piece of potato.

What two changes would you expect in tube A after 2 hours? _____

Why did they dry each piece of potato before weighing? _____

The potato in tube B did not change, give one conclusion from this observation? _____

Active Transport

This paragraph is about moving substances by active transport. Complete the paragraph using the words from the box.

low	mitochondria	energy	high
	respiration	ATP	

Active transport allows movement of substances from areas of _____ concentration to areas of _____ concentration.

It requires the breakdown of _____ to provide the _____ for active transport.

This is provided during cell _____.

Cells that carry out lots of active transport will usually have many _____.

Name one example of where active transport is used in humans and plants.

Humans: _____

Plants: _____

Meiosis

Meiosis is the process by which body cells divide. Each cell divides to produce two daughter cells, which are genetically identical to each other.

A cell cycle has four stages shown in the numbered images on the left. Label the images using the following names.

DNA replication **movement of chromosomes**
cytokinesis **growth of daughter cells**

Number the following sentences to describe the process of mitosis. The first one has been done for you.

Chromosomes align across the centre of the cell	
Nuclear membranes form	
1 A cell grows in size and mass and chromosomes are replicated	
One copy of each chromosome moves to opposite ends of the cell	
The cell membrane and cytoplasm divide	
The nuclear membrane breaks down	

Cell Differentiation

During the development of a multicellular organism, cells differentiate. What does this mean?

Match the specialised cell with the correct adaptation and function.

Cell	Adaptation	Function
Ciliated cell	Can expand	Move mucus for haemoglobin molecules
Palate cell	Contains many chloroplasts	photosynthesis
Sperm cell	Has the structure in the surface	Swimming around
Fat cell	Contains enzymes in acrosome	Fat storage
Red blood cell	No nucleus	Breaks down outer layer of stem

Label the sperm cell adaptations and explain the reason for each one.

Stem Cells

This paragraph is about stem cells in animals. Use the words from the box to complete the paragraph.

stem cells	are	adult	repair
undifferentiated		differentiation	

Stem cells in animals are _____. They can undergo the process of _____ to become specialised to carry out a particular role. There are two main types of stem cell in animals, embryonic stem cells and _____ stem cells. Stem cells in mature animals are restricted in what type of cell they can become. Embryonic stem cells can become _____ cell in the organism. Embryonic stem cells can divide through the process of _____ to make a whole organism. Fully developed animals contain stem cells for their entire lives to help them _____ damaged tissues.

The figure left shows one area where stem cells can be found in a plant. What is this called? _____

Name one other location in a plant where stem cells can be found? _____

Gcse Biology Ocr Revision Guide Introduction

Gcse Biology Ocr Revision Guide Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Gcse Biology Ocr Revision Guide Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Gcse Biology Ocr Revision Guide : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Gcse Biology Ocr Revision Guide : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Gcse Biology Ocr Revision Guide Offers a diverse range of free eBooks across various genres. Gcse Biology Ocr Revision Guide Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Gcse Biology Ocr Revision Guide Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Gcse Biology Ocr Revision Guide, especially related to Gcse Biology Ocr Revision Guide, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Gcse Biology Ocr Revision Guide, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Gcse Biology Ocr Revision Guide books or magazines might include. Look for these in online stores or libraries. Remember that while Gcse Biology Ocr Revision Guide, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Gcse Biology Ocr Revision Guide eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Gcse Biology Ocr Revision Guide full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Gcse Biology Ocr Revision Guide eBooks, including some popular titles.

FAQs About Gcse Biology Ocr Revision Guide Books

1. Where can I buy Gcse Biology Ocr Revision Guide books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Gcse Biology Ocr Revision Guide book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Gcse Biology Ocr Revision Guide books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
