to Success HKDSE Paper 4 Oral English David Barron Mason, 2019-11-02 This textbook gives you clear strategies and tips to
make your HKDSE Score higher than you thought possible □ English Language Education and Assessment David
Coniam, 2014-07-06 This volume gathers contributions in the closely linked fields of English language assessment and
language education The contributors from China and Hong Kong represent a mixture of established and new scholars Areas
covered in the language education section range across major developments in the redefining of Hong Kong's secondary and
tertiary curricula as well as the huge field of China's vocational education curriculum Regarding assessment the
contributions reflect major changes in the marking of examinations in Hong Kong whereby all examinations from 2012
onwards are marked onscreen to quality control issues in the administration of China's College English Test which is taken
by over 10 million candidates every year □ IB □ IBDP IB IB DSE

Validating Technological Innovation David Coniam, Peter Falvey, 2016-04-02 This book discusses Hong Kong's use of
onscreen marking OSM in public examinations Given that Hong Kong leads the way in OSM innovation this book has arisen
from a recognised need to provide a comprehensive coherent account of the findings of various separate but linked validation
studies of onscreen public examinations in Hong Kong The authors discuss their experience of the validation process
demonstrating how high stakes innovation should be fully validated by a series of research studies in order to satisfy key
stakeholders □ **Dear Hong Kong** Xu Xi, 2017-07-01 Xu Xi's body of work witnesses her turbulent love affair with her home
city of Hong Kong In this probing memoir she unravels her recently finalised decision to leave the city for good She critiques
a Hong Kong that has in her eyes lost its way And yet it is only out of the city's enduring presence in her life both in the form
of memory and periodic homecomings that she has carved out a personal and literary identity Dear Hong Kong is a profound
reflection on the life of Hong Kong personified and interrogated by one of its most lucid writers □ Language Across the
Curriculum & CLIL in English as an Additional Language (EAL) Contexts Angel M.Y. Lin, 2016-09-15 This book will be of
interest to a broad readership regardless of whether they have a background in sociolinguistics functional linguistics or
genre theories It presents an accessible meta language i.e. a language for talking about language that is workable and usable
for teachers and researchers from both language and content backgrounds thus facilitating collaboration across content and
language subject panels Chapters 1 to 3 lay the theoretical foundation of this common meta language by critically reviewing
systematically presenting and integrating key theoretical resources for teachers and researchers in this field In turn
Chapters 4 to 7 focus on issues in pedagogy and assessment and on school based approaches to LAC and CLIL drawing on
both research studies and the experiences of front line teachers and school administrators Chapter 8 provides a critical and

reflexive angle on the field by asking difficult questions regarding how LAC and CLIL are often situated in contexts characterized by inequality of access to the linguistic and cultural capitals where the local languages of the students are usually neglected or viewed unfavourably in relation to the L2 in mainstream society and where teachers are usually positioned as recipients of knowledge rather than makers of knowledge In closing Chapter 9 reviews the state of the art in the field and proposes directions for future inquiry
