The Sleep Revolution Arianna Huffington, 2017-04-04 Co founder and editor in chief of The Huffington Post Arianna Huffington shows how our cultural dismissal of sleep as time wasted compromises our health and our decision making and undermines our work lives our personal lives and even our sex lives in this New York Times bestseller We are in the midst of a sleep deprivation crisis with profound consequences to our health our job performance our relationships and our happiness What we need is nothing short of a sleep revolution only by renewing our relationship with sleep can we take back control of our lives In The Sleep Revolution Arianna explores all the latest science on what exactly is going on while we sleep and dream She takes on the sleeping pill industry and all the ways our addiction to technology disrupts our sleep She also offers a range of recommendations and tips from leading scientists on how we can get better and more restorative sleep and harness its incredible power The result is a sweeping scientifically rigorous and deeply personal exploration of sleep from all angles from the history of sleep to the role of dreams in our lives to the consequences of sleep deprivation and the new golden age of sleep science that reveals the vital role sleep plays in our every waking moment and every aspect of our health from weight gain diabetes and heart disease to cancer and Alzheimer's In today's fast paced always connected perpetually harried and sleep deprived world our need for a good night's sleep is more important and elusive than ever The Sleep Revolution both sounds the alarm on our worldwide sleep crisis and provides a detailed road map to the great sleep awakening that can help transform our lives our communities and our world *The Ethics of War and Peace Revisited* Daniel R.

Brunstetter, Jean-Vincent Holeindre, 2018-01-10 How do we frame decisions to use or abstain from military force Who should do the killing Do we need new paradigms to guide the use of force And what does victory mean in contemporary conflict In many ways these are timeless questions But they should be revisited in light of changing circumstances in the twenty first century The post Cold War post 9 11 world is one of contested and fragmented sovereignty contested because the norm of territorial integrity has shed some of its absolute nature fragmented because some states do not control all of their territory and cannot defeat violent groups operating within their borders Humanitarian intervention preventive war and just war are all framing mechanisms aimed at convincing domestic and international audiences to go to war or not as well as to decide

who is justified in legally and ethically killing The international group of scholars assembled in this book critically examine these frameworks to ask if they are flawed and if so how they can be improved Finally the volume contemplates what all the killing and dying is for if victory ultimately proves elusive **People Are Animals Too** Shona Kowtecky,2024-05-14

Discover a fresh perspective by stepping into another s paws Chase what you want Advocate for your needs Set boundaries and goals Learn to let go Take care of yourself This can be good advice but what if you don t know what you want Or need What boundaries are worth setting for you Or how to decide what to let go of and what to hold on to What if focusing on yourself seems uncomfortable selfish unnecessary or a bit too fluffy As a veterinarian Dr Shona Kowtecky has spent almost 20 years learning about paying attention to advocating for and taking care of thousands of animals while simultaneously watching thousands of people struggle to do the same for themselves Whether or not you are a pet parent or animal lover self awareness is a key starting point for optimal health and a good quality of life yet it s often overlooked oversimplified or too ambiguous to be practical **People Are Animals Too** provides a structured and creative approach to encourage self examination compassion and curiosity through insightful questions and humorous anecdotes centered around the question What if we cared for ourselves the way we care for the animals we love Or better yet what if we simply remembered that people are animals too Real Essays Interactive Susan Anker,2015-01-13

Real Essays Interactive Update Edition offers practical coverage of paragraph to essay writing skills in a brief interactive and affordable format The print component offers the essentials of Anker s accessible writing instruction along with select exercises **Your Time to Thrive** Marina
