Urgency and Severity: Pauline Rationale for Expulsion in 1 Corinthians 5:1-13 David E. Bosworth,2024-05-21 When Paul heard that a Christ follower in Corinth was in an incestuous relationship with his stepmother the apostle insisted the man be removed immediately from the congregation This dramatic response is surprising as Paul responds to other serious situations with much less vehemence Why did Paul react to the immoral man with such urgency and severity Using socio cultural tools this study explains the importance of group identity and witness for Paul s ecclesiology The argument lays a foundation for contemporary readers to appraise contexts where an expulsive response to sin might be appropriate **World Englishes**

**Volumes I-III Set** Tometro Hopkins,Kendall Decker,John McKenny,2013-02-14 World Englishes is a twelve volume series presenting a comprehensive detailed survey of English as it is spoken all over the world The volumes are organised into four groups covering Britain Europe America Africa and Asia and celebrate English in all its diversity The chapters contain maps facts and figures and a detailed description about English as it is spoken in each region and are an invaluable library resource for undergraduates postgraduates and academics interested in the diversity of the English language Statistical Theory and Inference David J. Olive,2014-05-07 This text is for a one semester graduate course in statistical theory and covers minimal and complete sufficient statistics maximum likelihood estimators method of moments bias and mean square error uniform minimum variance estimators and the Cramer Rao lower bound an introduction to large sample theory likelihood ratio tests and uniformly most powerful tests and the Neyman Pearson Lemma A major goal of this text is to make these topics much more accessible to students by using the theory of exponential families Exponential families indicator functions and the support of the distribution are used throughout the text to simplify the theory More than 50 brand name distributions are used to illustrate the theory with many examples of exponential families maximum likelihood estimators and uniformly minimum variance unbiased estimators There are many homework problems with over 30 pages of solutions

**Small Arms for Urban Combat** Russell C. Tilstra,2014-01-10 The urbanization of warfare has necessitated the kind of precision targeting that only small arms can deliver Weapons not often seen on the battlefield can prove useful even indispensable in an urban setting This expert reference guide examines in detail the most successful small arms in use and how changes in warfare have affected how those weapons are used and have transformed the small arms industry Professional soldiers law enforcement officers and students and researchers of small arms will gain a working knowledge of the most common and successful urban combat weapons including some currently in development **The Battle Rifle** Russell C. Tilstra,2014-04-04 While the 20th century brought many technological advancements to the battlefield a key

weapon of warfare remains the soldier and his rifle This volume chronicles the historical development of the modern service rifle after World War II and examines its resurgence in Afghanistan after generations of absence following the introduction of the assault rifle Individual chapters survey the most combat tested models including the FN FAL U S M14 and HK 417 in technical detail emphasizing key points in the evolution of rifle technology and ammunition Also explored is the development of the current M16 series rifle and how recent difficulties in Afghanistan have led to an increasing reliance on the venerable M14 Providing a strong knowledge base of the various weapons now in service throughout the world this instructive work demonstrates that the battle rifle has not outlived its usefulness
