Encyclopedia of Information Science and Technology, First Edition Khosrow-Pour, D.B.A., Mehdi, 2005-01-31

Comprehensive coverage of critical issues related to information science and technology Jean Genet David Bradby, Claire Finburgh, 2012-03-15 This book is the only introductory text to Genet in English offering an overview of this key figure in defining and understanding twentieth century theatre The authors provide a comprehensive account of Genet's key plays and productions his early life and his writing for and beyond the theatre There is No Me Without You Melissa Fay

Greene, 2008-12-12 Two time National Book Award nominee Melissa Fay Greene puts a human face on the African AIDS crisis with this powerful story of one woman working to save her country's children After losing her husband and daughter Haregewoin Teferra an Ethiopian woman of modest means opened her home to some of the thousands of children in Addis Ababa who have been left as orphans There Is No Me Without You is the story of how Haregewoin transformed her home into an orphanage and day care center and began facilitating adoptions to homes all over the world written by a star of literary nonfiction who is herself an adoptive parent At heart it is a book about children and parents wherever they may be however they may find each other The Holistic Pine: Volume 1, Issue 2 Writers' Kalam, An international monthly lifestyle journal from Writers Kalam

Aspects of Hobbes Noel Malcolm, 2002-11-07 Noel Malcolm one of the world's leading experts on Thomas Hobbes presents a set of extended essays on a wide variety of aspects of the life and work of this giant of early modern thought Malcolm offers a succinct introduction to Hobbes's life and thought as a foundation for his discussion of such topics as his political philosophy his theory of international relations the development of his mechanistic world view and his subversive Biblical criticism Several of the essays pay special attention to the European dimensions of Hobbes's life his sources and his influence the longest surveys the entire European reception of his work from the 1640s to the 1750s All the essays are based on a deep knowledge of primary sources and many present striking new discoveries about Hobbes's life his manuscripts and the printing history of his works Aspects of Hobbes will be essential reading not only for Hobbes specialists but also for all those interested in seventeenth century intellectual history more generally both British and European

Inside the Red Box Patrick McEachern, 2010-12-21 North Korea's institutional politics defy traditional political models making the country's actions seem surprising or confusing when in fact they often conform to the regime's own logic Drawing on recent materials such as North Korean speeches commentaries and articles Patrick McEachern a specialist on North Korean affairs reveals how the state's political institutions debate policy and inform and execute strategic level decisions Many scholars dismiss Kim Jong Il's regime as a one man dictatorship calling him the last totalitarian leader but McEachern identifies three major institutions that help maintain regime continuity the cabinet the military and the party These groups hold different institutional policy platforms and debate high level policy options both before and after Kim and his senior leadership make their final call This method of rule may challenge expectations but North Korea does not follow a

classically totalitarian personalistic or corporatist model Rather than being monolithic McEachern argues the regime emerging from the crises of the 1990s rules differently today than it did under Kim s father Kim Il Sung The son is less powerful and pits institutions against one another in a strategy of divide and rule His leadership is fundamentally different it is post totalitarian Authority may be centralized but power remains diffuse McEachern maps this process in great detail supplying vital perspective on North Korea s reactive policy choices which continue to bewilder the West **Security and the Turkey-EU Accession Process** N. Martin,2015-04-08 This study examines the history and politics of Turkey EU relations since 1959 exploring the complex interaction of geostrategic and normative concerns which have resulted in the current lack of accession progress and Turkey s slide to authoritarianism **The Expanse and Philosophy** Jeffery L. Soviet Union In The Context Of The Nobel Prize: Facts, Documents, Thoughts And Commentaries Abram Moiseevich Blokh, 2021-12-06 The result of meticulous research by Professor Abram Blokh this book presents facts documents thoughts and comments on the system of the Nobel Prize awards to Russian and Soviet scientists It provides a comprehensive overview of the relationship between the ideas expressed by the Nobel Foundation and those expressed by the autocratic and totalitarian regimes in Russia and the ex Soviet Union during the 20th century who had the same attitude of revulsion toward the intellectual and humanistic values represented by the Nobel Prizes To do his research the author had access to the declassified documents in the archives of the Nobel Foundation for many years Also included in the book are new materials obtained and developed by the author after the publication of the first two editions in Russian This additional information is from the archives of the Soviet Ministry of Foreign Affairs the Russian Academy of Sciences the Soviet Writers Union et al in Moscow and St Petersburg These documents shed new light on the difficulties encountered during the attempts to integrate Russian and Soviet science into the world's intellectual community This book would be of utmost interest to those who are interested in the history of science in Russia and the ex Soviet Union related to the Nobel Prize

Trade, Commerce, and the State in the Roman World Andrew Wilson, Alan K. Bowman, 2018 In this volume papers by leading Roman historians and archaeologists discuss trade within the Roman Empire and beyond its frontiers between c 100 BC and AD 350 focusing especially on the role of the Roman state in shaping the institutional framework for trade As part of a novel interdisciplinary approach to the subject the chapters address its myriad facets on the basis of broadly different sources of evidence historical papyrological and archaeological demonstrating how collaborations with the elite holders of wealth within the empire fundamentally changed its political character in the longer term

The Military Legacy of Alexander the Great Michael P. Ferguson, Ian Worthington, 2023-11-28 Placing Alexander the Great's leadership command skills and grand strategy within the context of

twenty first century military challenges and thus showing continuities in leadership and warfare since his time this volume demonstrates how and why Alexander is relevant to the modern world by emphasizing the need for human leadership in our digital era Not only does this volume explore Alexander s rich military history but also it provides a robust exploration of the twenty first century security environment Theorists and policy makers will gain insight into how Alexander s story informs our thinking about peace war and strategy while practitioners and educators will encounter ways to improve their approaches to leader development and building curricula Ferguson and Worthington set forth these lessons in a thematic framework that organises Alexander s reign into distinct parts together with chapters discussing the lessons and warnings he brings to the modern world Twenty fifth National Security Advisor to the President of the United States Lt Gen H R McMaster provides a thoughtful conclusion to this fascinating volume Alexander s timeless campaigns remain as germane to this age as any other and demonstrate the critical importance of dynamic leadership and historical studies in an era increasingly dominated by the culture of technology The Military Legacy of Alexander the Great is expertly written for students and scholars in a variety of disciplines including Classics Ancient History Modern History Peace Studies and Military Studies It is also of great interest to senior defence leaders military academies leadership and management focused academic programmes intelligence organizations and senior service colleges The volume is also suitable for the general reader interested in warfare military history and history more broadly

The Ashgate Research Companion to Giorgio Vasari David J. Cast, 2016-04-01 The Ashgate Research Companion to Giorgio Vasari brings together the world s foremost experts on Vasari as well as up and coming scholars to provide at the 500th anniversary of his birth a comprehensive assessment of the current state of scholarship on this important and still controversial artist and writer The contributors examine the life and work of Vasari as an artist architect courtier academician and as a biographer of artists They also explore his legacy including an analysis of the reception of his work over the last five centuries Among the topics specifically addressed here are an assessment of the current controversy as to how much of Vasari s Lives was actually written by Vasari and explorations of Vasari s relationships with as well as reports about contemporaries including Cellini Michelangelo and Giotto among less familiar names The geographic scope takes in not only Florence the city traditionally privileged in Italian Renaissance art history but also less commonly studied geographical venues such as Siena and Venice

The London Chronicles of the Fifteenth Century Mary-Rose McLaren, 2002 It also provides an annotated edition of the previously unpublished text from Bradford West Yorkshire Archives MS 32D86 42 while a selection of the most crucial events recorded in the chronicles such as the Rising of 1381 and Cade s rebellion is presented in an appendix

Early Modern China and Northeast Asia Evelyn S. Rawski, 2015-06-05 In this revisionist history of early modern China Evelyn Rawski challenges the notion of Chinese history as a linear narrative of dynasties dominated by the Central Plains and Hans Chinese culture from a unique peripheral perspective Rawski argues that China has been shaped by its relations with Japan

Korea the Jurchen Manchu and Mongol States and must therefore be viewed both within the context of a regional framework and as part of a global maritime network of trade Drawing on a rich variety of Japanese Korean Manchu and Chinese archival sources Rawski analyses the conflicts and regime changes that accompanied the region's integration into the world economy during the sixteenth and seventeenth centuries Early Modern China and Northeast Asia places Sino Korean and Sino Japanese relations within the context of northeast Asian geopolitics surveying complex relations which continue to this day

The Making and Marketing of Tottel's Miscellany, 1557 J. Christopher Warner, 2016-03-09 First published in the summer of 1557 as the protestant martyrs pyres blazed across England Songs and Sonettes written by the ryght honorable Lorde Henry Haward late Earle of Surrey and other more generally known as Tottel's Miscellany is widely regarded as the first anthology of English poetry responsible for introducing Italianate verse forms to England Yet those scholars who have paid attention to the book usually dismiss its literary quality and regard its chief accomplishment as paving the way for the Golden Age of Elizabethan verse to come As Professor Warner makes clear however there is much more historical significance to the Miscellany than merely being a precursor to Shakespeare and Sidney Drawing upon a wealth of historical textual and literary evidence this new study recasts the Miscellany as a peculiar phenomenon of the reign of Mary I Placing it in the context of its European counterparts and its competition in the London book market Warner argues that at heart the Miscellany was a collaborative project between the printer Richard Tottel and law students from the Inns of Court and represented a timely response to the religious political and social upheavals of the English Reformation and Counter Reformation Analysing from both a literary and historical perspective this study reconnects the Miscellany with the social cultural literary and religious milieu in which it was created Warner thus reveals not only the distinctiveness of the book's design compared to other English verse works for sale in 1557 but its function as a patriotic retort to Continental collections of verse including one that put into print a selection of satirical songs and sonnets written by the Spanish caballeros who found themselves reluctant attendants at the court of Mary I

Peace Without Consensus Mary-Alice C. Clancy,2016-05-13 *Peace Without Consensus* demonstrates that the rise of Sinn Féin and the Democratic Unionist Party DUP was not inevitable Rather it argues that critics who blame Northern Ireland's power sharing institutions for the electoral triumph of the political extremes in 2003 have not fully considered how the US British and Irish governments contributed to this outcome Through interviews with key US British and Irish officials this groundbreaking analysis which represents the first examination of the Bush administration's vital role in the peace process demonstrates that Washington and Dublin were considering a deal between the DUP and Sinn Féin as early as 2002 Profiled in the Guardian the Observer BBC Radio Four the Irish Independent and in Henry McDonald's *Gunsmoke and Mirrors* Mary Alice C Clancy's theoretically informed and empirically grounded book presents new and salient lessons for other regions embroiled in conflict and should be read by all those interested in Northern Ireland's peace process and US foreign policy
