Instead, it is a step by step method for writing a five paragraph paper from the assignment through the final proofreading. Using sentence formulas, paragraph templates and detailed checklists, the writer will be able to plug in subject matter for their assigned papers and build a finished product that is organized correctly. For writers who need to create a five paragraph 2-3 page paper, this booklet will guide them through the process of getting the words down on the page. It does not matter if that paper is meant to be informative or persuasive. Regardless of tone or style, this booklet can guide the writer through to a finished paper.
