certainly not a cliché. Instead I gave him an additional three years to get his affairs in order. He didn't know it at the time but that was more for me than for him. Not enough drama. Good because I've got another obsession. His name is Kieran O'Rourke. It started the day the Irishman introduced himself to me although I've never admitted that to anyone. Certainly not him. Nor did I give in right away because that would've been too easy. Complications are compounded when Emily believes I betrayed her and her family by taking back what was rightfully mine which only delays my plans. Being one of the wealthiest men in the world I have an endless supply of resources, a long list of things to keep me busy and an abundance of patience. No matter what I will introduce Emily and Kieran to one another and when I do life as we know it will be irrevocably changed. This is my story of obsession, betrayal and surrender. Some might say I have my work cut out for me. Good thing I enjoy a challenge. This is a standalone novel.

Rough & Dirty Nicole Edwards, 2024-06-11. One night Rough, dirty and so hot it was a wonder the barn didn't burn down from the heat they generated. If Stone Jameson were writing a letter to his younger self it would go something like this: Don't waste time leaving. You have everything you'll ever want already. Unfortunately Stone didn't have the ability to warn his younger self nor could he get the last fifteen years of his life back. He could, however, return to the last place he'd experienced real happiness, his hometown of Coyote Ridge. It takes mere days for him to realize that all the years he spent trying to forget the night that had altered his perception of himself were in vain. It takes a single glimpse of what he left behind to bring it all back: the potent attraction, the intense connection and the longing permanently etched in his soul. Getting absolution for his mistakes might be impossible but when a second chance presents itself, Stone knows that determination and persistence are the only tools he needs to build the solid foundation he's seeking.

Secrets Nicole Edwards, 2022-02-22. The Off the Books Task Force is nearing its one year anniversary. While they've successfully closed multiple cases it hasn't been easy. Even after the governor dissolved the team they are finding their new home under the umbrella of Sniper 1 Security. As with everything the private sector has new challenges for them to tackle such as expanding the team. Even as they work to broaden their reach there are still cases to be worked. When a partner at an investment firm goes missing Governor Greenwood reaches out for their assistance. Putting aside their grudges the team uses their combined skills to unravel the mystery. Not only do secrets emerge where the case is concerned many more are brought to light within the team itself.
