

This area of the Main screen controls the stitching modes. It is currently set to manual mode and shows the current stitches-per-minute setting and three stitches-per-minute presets. This area changes according to the stitching mode you've selected.

The on-screen hand wheel enables you to rotate the machine's hand wheel from the Main screen rather than reaching around the machine to do it manually.

These buttons remain the same regardless of the stitching mode you choose.

Tie-off button: Use this button to perform a tieoff at the start or finish of your stitching. Touch the button and gently move the machine to perform the micro stitches. The number below the image indicates how many micro stitches will be performed.

For more information about how to configure the number of micro stitches in a tieoff, see *To configure tieoffs* in the *Toolbar Options* section of this manual.

Bobbin-thread cutter button: Touch this button to perform a bobbin thread cut. The Infinity cuts the thread at the needle opening in the needle plate, leaving enough bobbin thread for your next pullup.

~📺 **ONLINE:** For information about using the Bobbin-thread cut button, watch the video *Using the Bobbin-Thread Cutter* at: <http://www.handiquilter.com/videos/hq-infinity/232/>.

Needle-stop button: Touch the button to alternate between having the needle stop in the up or down position when you stop stitching. Your choice displays in green (as shown at the left).

This button does not move the needle, but rather indicates your preference for the final needle position when quilting is stopped.

Easy-Touch Tension™ button: Touch this button and then use the plus (+) and minus (–) buttons on the screen or on the handlebars to increase or decrease the upper tension. The number on the button indicates the current tension setting.

For more information about electronic tension, see *Top Thread Tension* in the *Machine Settings* section of this manual.

~📺 **ONLINE:** For information about setting the top-thread tension, watch the video *Adjusting the top-thread tension* at: <http://www.handiquilter.com/videos/hq-infinity/233/>.
