**Jude the Lewd** Lomer,2015-09-15 When he applies himself Jude can achieve anything His math teacher encourages him to excel academically but he simply ignores her If she really knew all the answers she wouldn't be teaching math His mother comes home late can barely keep food on the table and resorts to drinking His closest friend if you want to call her that once a valuable social asset has outlived her usefulness As a high school senior Jude has less than a year to leave his mark So he devises the perfect plan which whether or not it leaves a favorable impression will ensure he is never forgotten It's certainly one for the yearbooks but if he fails at his own game he'll have no one but himself to blame Follow along as Jude plots in the classroom and deceives in the bedroom and maybe you'll agree that in high school obscurity is worse than being reviled

**Ian Ogilvy's Withering Sights** Ian Ogilvy,2022-09-14 Perhaps the most haunting and tormented love story ever written Emily Bronte's *Wuthering Heights* is the tale of the troubled orphan Heathcliff and his doomed love for Catherine Earnshaw This isn't quite that Ian Ogilvy's *Withering Sights* is a slightly less haunting but no less tormented love story between the celebrated author and actor and his ever looming wife known simply as SHE Here within are Mr Ogilvy's unique and verbatim reviews of many films he's seen with his other half his stream of consciousness style so beloved of his social media followers with exclusive reviews written just for this collection And an Afterword by SHE herself Gulp [Poetry Review](#)

L. Rallins,2020-07-28 My book *The Story of Jesus The Gnostic View* is different from most books about Jesus in that it goes into his mother's birth and the choosing of her to be Jesus mother It also shows Jesus birth and the real truth as to why he was born in a stable within a cave as to what his infancy and childhood was like He had to learn to handle his powers which was not an easy undertaking It then goes into his adolescent years and the burdens of it entailed His Young manhood presented a problem also as well as his responsibilities to his family and community Following that is his Ministry which takes place at an alarming rate Many of his disciples were chosen way before his Ministry began My book then goes into The Last Supper and the Crucifixion and the following Resurrection and the circumstances surrounding it It does not stop there though as many Biblical epics portray It moves past the Resurrection and takes you into the forty days after it Following the Resurrection is the time of the Ascension of Jesus to his Father It does not end there though The disciples now had a foundation that has stood the test of time for centuries The world has changed the Churches to fit the people not the people to fit the Church My Book is backed by four books 1 The Bible Prophecy and the book itself 2 The Urantia Book Urantia Foundation A I differ slightly about John the Baptist's father's death 3 Edgar Cayce's *Story of Jesus* by Jeffery Furst Berkeley Medallion Coward McCann 4 *The Lost Books of the Bible and the Forgotten Books of Eden* Meridian New American Library Jesus was extremely well educated and refined compared to the image of an uneducated peasant carpenter portrayed by most of the Christian Churches of today He is the Son of God not God as too many Churches say he is If this is so who is he praying to while still on Earth He is beyond anything we can achieve in this world at this time This is his story as never told before in one book to this world It is now time to bring forth The True Story of Jesus as channeled through me It is about a Religion and structure that is so old yet so new in this time      **Lady Day and Revelations** David Pinner,2003 In *Lady Day* Katya discovers her husband is having an affair with her best friend so she

hibernates in a derelict lakeside cottage to re invent her life in the depths of winter In Revelations a miraculous stranger comes to the aid of a desolate cliff top village ravaged by storms and erosion The plays complete the Season s Quartet Pinner began with Midsummer and All Hallow s Eve *Interpreting the Truth* L. William Countryman,2003-10-01 Using the model of reading other people s mail L William Countryman proposes that we read the letters of the New Testament as an ongoing conversation between the text itself and the modern interpreter and the community **Pagans and Practitioners** Alf H. Walle,2010 Biblical scholarship like many other disciplines has become increasingly isolated As a result the field has not borrowed as much from other areas of scholarship as it could have and has exerted a smaller impact upon the larger intellectual community A significant portion of Pagans and Practitioners deals with how the New Testament can be read as a rebuttal of Pagan rivals In doing so greater linkages with other disciplines are reestablished Discussion of how the tools developed by Biblical criticism can serve other secular disciplines are provided Collectively this book explores how Biblical criticism can exert a greater impact upon the intellectual world **The Essential Books of Mormons - Complete Collection** Joseph Smith Jr.,Brigham Young,James E.
