Monisha Bajaj, Maria Hantzopoulos

Life Orientation September 2014 Question Paper:

Care-Based Methodologies Veena Vasudevan, Nora Gross, Pavithra Nagarajan, Katherine Clonan-Roy, 2022-02-24 Care Based Methodologies reimagines relationships between researchers and youth participants in school based research The book calls attention to care based methodologies as essential to qualitative and ethnographic research in schools particularly when participants are youth from nondominant communities While researchers come to schools seeking to understand youths lived experiences and become implicated in the quotidian rhythms of their lives it is rare that they receive training on how to navigate the complex interpersonal dynamics and relationships that take shape during long term school research How can researchers ensure that they care for the wellbeing of youth not just the stories and data collected from them How do researchers maneuver the various roles they may come to play in youth s lives over the course of and beyond a study with care What happens when scholars transgress the traditional power dynamics of researcher participant relationships to walk with youth in their research This book illustrates the possibilities for conducting rigorous and responsible research that simultaneously improves our understanding of youth s lives cares for their wellbeing and works toward dismantling the systems that oppress them The editors of the volume offer an opening chapter that articulates how researchers can practice care based methodologies with youth by centering transparency reflexivity reciprocity curiosity consent and self care The chapters that follow draw from a range of qualitative and ethnographic studies to highlight how care mediates and informs the research process and offer concrete guidance for employing care based methodologies in school based studies with youth

Storied Health and Illness Jill Yamasaki, Patricia Geist-Martin, Barbara F. Sharf, 2016-07-01 Health and illness are storied experiences that necessarily entail personal cultural and political complexities For all of us communicating about health and illness requires a continuous negotiation of these complexities and a delicate balance between what we learn about the biology of disease from providers and our own very personal subjective experiences of being ill Storied Health and Illness brings together dozens of noteworthy scholars both established and emerging in a provocative collection that embraces narrative ways of knowing to think about analyze and reconsider our own and others health beliefs behaviors and communication Comprehensive content reflects the editors substantial research in integrative health narrative care and innovative ways of improving well being and quality of life in personal relationships healthcare the workplace and community settings Unique narrative approaches to the study of health communication include 14 chapters written by 22 contributors who use engaging stories from their own research or personal experience to introduce and ground foundational communication concepts in healthcare health promotion community support organizational wellness and other health related sites of interest Compelling stories of individuals living with the inherent challenges and unexpected opportunities of mental illness addiction aging cancer dialysis sexual harassment miscarriage obesity alopecia breastfeeding health threats to immigrant workers developmental differences and youth gun violence 36 Health Communication in Action HCIA sidebars

that highlight applied research of innovative health communication scholars in their own words and then prompt readers to think more deeply about their own perspectives and experiences Theorizing Practice boxes that encourage readers to reflect on stories that describe significant experiences in their own and others lives as they consider assumptions and enlarge their viewpoints in previously unimagined ways **The Dynamics of Managing Diversity and Inclusion** Gill

Kirton, Anne-Marie Greene, 2021-12-28 The Dynamics of Managing Diversity and Inclusion was one of the first books to respond to growing academic coverage of the topic of diversity management at degree level This fifth edition has been fully updated to reflect new working practices labour market data organisational policies and developments in equality and diversity law as well as including new case studies and analysis of current and emerging areas of debate in the United Kingdom and across Europe Diversity management is a term that covers not only policy and practice on race disability and sex discrimination but also broader issues including other identity and cultural differences The Dynamics of Managing Diversity and Inclusion fifth edition provides future HR professionals and business organisational managers of the future with the legal information and research findings needed to enable them to participate in the development and implementation of meaningful diversity and inclusion policies in their organisations This new edition offers Inclusion of topical issues such as female and minority representation on executive boards religious diversity gender identity Black Lives Matter and MeToo movements Multiple analytical perspectives such as socio legal and feminist approaches to provide rich insights into the subject matter Practical case studies and exercises to illustrate the real life issues in a local international and organisational context The book deals with the subject of diversity management in a rigorous and structured manner beginning each chapter with aims and objectives providing key learning points and review and discussion questions at regular junctures and ending with concluding thoughts and observations making this book the perfect support resource for those teaching or studying in the field of equality diversity and inclusion **The Perennials** Mauro F. Guillén, 2023-08-22

Get the best from accelerating social change with the new book from the bestselling author of 2030 and acclaimed thought leader Kirkus Mauro Guillén Adam Grant praises how the book invites us to rethink our careers our families and our future plans Find out why business leaders and bestselling authors around the world are calling the book sharply relevant and necessary William P. Lauder insightful and deeply researched Richard Florida and A must read Mohammed A. El-Erian In today's world the acceleration of megatrends increasing longevity and the explosion of technology among many others are transforming life as we now know it In The Perennials bestselling author of 2030 Mauro Guillén unpacks a sweeping societal shift triggered by demographic and technological transformation Guillén argues that outmoded terms like Boomers Gen X Millennials and Gen Z have long been used to pigeonhole us into rigid categories and life stages artificially preventing people from reaching their full potential A new postgenerational workforce known as perennials individuals who are not pitted against each other either by their age or experience makes it possible to liberate scores of people from the constraints of the sequential model of life

and level the playing field so that everyone has a chance at living a rewarding life Guill n unveils how this generational revolution will impact young people just entering the workforce as well as those who are living and working longer This multigenerational revolution is already happening and Mauro Guill n identifies the specific cultural organizational and policy changes that need to be made in order to switch to a new template and usher in a new era of innovation powered by the perennials
