My Rocky Road And Beyond:

My Rocky Road and Beyond Mary Muriel Hall, 2014-12-03 Mary Muriel Hall nee Burns was raised in a humble four room house in Ennis Ireland In the 1940s In this touching memoir she vividly recalls her harrowing yet often humorous childhood Muriel became familiar with adversity at an unusually young age In this book she remembers family life as a toddler with an abusive alcoholic father and shares stories of a childhood marked by the tumultuous relationship of her mam and dad Muriel recalls with special fondness her grandfather who becomes the lone beacon of hope in her increasingly turbulent life She recounts the sudden death of her father a loss that combined intense sadness with an odd sense of family relief She remembers the family move to England that allowed her to shed the negativity which surrounded her childhood she started to look to a brighter future with mixed emotions Feelings of great highs but also the dread of a different educational system the meeting of new friends whilst at the same time trying to bury the past the same past which led her to pen this book *My Rocky Road Beyond* accounting the early years in Ennis Ireland Circa 1940 The high expectations and hopes for the future Can this cloud have a silver lining or is it possible that this silver lining is in fact full of clouds Follow Muriel as she tells in her own words of the struggle to settle and shake the demons and the total disbelief when the unthinkable becomes a reality once again In all this is a book that weaves together personal stories to reveal the rich tapestry that was and Irish woman s life

Beyond the Window Jacob A. Stoltmack, 1999-03 *Beyond the Window* is a remarkable novel about the reclamation of a piece of wasted desert land by planting the shifting sands with growths that will fix them and induce the formation of fertile top soil Cory Aguilar an orphan who has inherited nothing but her mother s beauty aesthetic nature and visionary love of romantic adventure her father s businesslike head and firmness of purpose and twelve hundred acres of undeveloped desert land in Eastern Washington Chafing under the benevolent despotism of an acquisitive Philistine aunt who has reared her in luxurious idleness in Seattle and on an Edenlike estate in the vicinity Cory seeks an independent existence in the land of sagebrush and sandstorms She finds that her princely heritage is lorded over by a mysterious wind keeping her estate a terrible sand waste a strange sort of evil that is beginning to overwhelm the adjoining ranches Stranded and ill equipped as she is Cory is left alone and destitute to face the dangers and general cursedness of conditions in a small agrarian town with its envious malice its backbiting gossip its traducing intrigues Success will finally come for Cory when she comes to learn that having a barren ranch is far better than possessing

Rose Daniels Author *Beyond Physical* Emma Rivera Glover,2020-04-13 I pray that this book will touch men and women of all ages and help individuals to focus on their inner beauty and not their outer beauty If we live our lives based on what we see the light bulb would have never been invented The inventors believed beyond what the physical eyes could see This is a book about inner beauty the Holy Spirit God has placed in each one of us as his creation Man sees the physical physique as attractive and beautiful while God defines beauty as what is in your heart My goal is to help deliver someone from depression despair and discouragement My prayer for you is to strive to be more like Christ s character walking in love I promise the road will not be easy There will be roadblocks and challenges along your journey But God is there with you He is waiting for you to dedicate and surrender your life to him Are you up for the challenge *Beyond the Dream* Irene Snow,2013-05 Until the age of four Irene Snow lived happily with her mother and gentle doting grandparents The return of her father a rough and tough soldier at the close of World War II set the stage for rebellion and dissent in her young life He was a strict disciplinarian and she resented his authority from the outset What s more his arrival introduced her to the baser emotions of jealousy and hatred which were previously beyond her ken as the reigning princess in Grandma s house As she grew older her life became a search to regain the pedestal she lost no matter what it took As a young woman she fell in love with a married German and had his child out of wedlock Aware of her father s deep and abiding enmity for the enemy she reveled in his displeasure he in turn vowed to disown his grandchild Irene s seven year love affair ended with her marriage to a Canadian widower but her wedding was closely followed by a tragedy that ignited her darker emotions and eventually brought her to a nervous breakdown psychosis and utter darkness She turned to the field of psychology in the hope it might shed light on her self defeating behavior While her studies provided many answers they did not lead to peace Finally she

embarked upon a spiritual journey that led her to A Course in Miracles Once she began to reach out with love her life changed dramatically **Beyond the Horizon** Colin Angus,2010-02-12 In June 2004 Colin Angus left Vancouver on his bicycle Nearly two years later he rolled back in looking like a castaway and having completed the first human powered circumnavigation of the globe Angus cycled skied and rowed a route that took him to Alaska across the Bering Sea and the Siberian winter across Europe from Moscow to Portugal then across the Atlantic to Costa Rica a 156 day rowing odyssey From there it was a short 8 300 kilometre ride back to Vancouver Along the way he burned through 4 000 chocolate bars 72 inner tubes 250 kgs of freeze dried foods 31 dorado fish caught from the sea 2 offshore rowboats 4 bicycles 80 kgs of clothing And he showed the world that if he can travel 43 000 kilometres without polluting the planet then the rest of us can get off our butts and clean up our own acts We lay in the rowboat cabin as the seas swelled and the sky boiled like a devil s cauldron Slanting yellow sun beams cut between black squalls and corrugated cirrus clouds interlaced the remaining areas of blue Huge anvil heads roiled and billowed like slow moving atomic explosions Flashes of lightning illuminated the IMAX screen of the horizon Such energy and volatility would have been breathtakingly beautiful if we had been watching from nearly anywhere else and if it weren t for the fact that it was all just a prelude to a killer storm It was hard to believe that yet another tropical cyclone was heading our way We had chosen the worst hurricane season in recorded history to make our five month 10 000 km unsupported rowboat crossing of the Atlantic Ocean Now two months into our voyage it looked very likely our expedition might come to an abrupt end Our voyage across the Atlantic was only a part of a much larger expedition an attempt to complete the first human powered circumnavigation of the planet So far we had trekked skied cycled canoed and rowed non stop across three continents and were half way across our second ocean Now as I huddled in the dog house sized cabin with my fianc e waiting for the Hurricane Epsilon to reach us I cursed myself for ever believing I could achieve such an impossible quest From Beyond the Horizon Somewhere Beyond Dark Waters Des Birch, **My Little Visits**
