My Time In Heaven:

My Time in Heaven Richard Sigmund, 2009-12-14 Is there life after death After a tragic accident doctors pronounced Richard Sigmund legally dead Eight hours later God miraculously brought him back to life on the way to the morgue During those hours God allowed him to experience the glorious beauty heavenly sounds sweet aromas and boundless joys of heaven that await every believer God then returned him back to earth with a mission to tell the world what he saw You will thrill to Sigmund s eyewitness accounts of strolling down heaven s streets of gold seeing angels playing with children talking with Jesus meeting with people from the Bible as well as departed family and friends seeing the mansions and much more Through Sigmund s testimony God restored sight to the blind hearing to the deaf and even raised several people from the dead Also glimpse into the horrifying reality of the other place a place where no one wants to go *My Time in Heaven* Michael D. Evenson, 2022-11-29 I dedicate this book to the three I know the best who are God the Father Lord Jesus Christ and the Holy Spirit with whom I never will be back here on earth if it was not for God I died and visited heaven before I had to go back into my body on earth and I spent a lot of time there but it was only a few minutes gone on earth I received the gift of healing to heal my body so I can go back into it with the connections that were established which made me capable to use God s power to save people from death many times over and do miraculous things that astound people to this day With my four dimensional vision and advanced hearing I can see and hear into things in ways you cannot fathom even now So I can also say that I have been helping people from an early age to the present in the Godly way With God s help I have the power to chase demons away from people and from houses The times I should have died since my first death is miraculous too My Time in New Zealand , My Time in Heaven Theresa Arrey, 2017-12-13 A book about my life story its filled with the highlights and low times of my life and how I prevailed My Time with God Joyce Meyer, 2017-10-10 Bestselling author Joyce Meyer shares her personal and intimate daily devotions recorded over 365 days that provides spiritual and practical guidance for her busy life Each daily entry guides readers through a narrative of meditations an uplifting declaration and relevant scripture to encourage greater intimacy with God Including spiritual revelations experienced by one of the world s leading Bible teachers this book will renew readers minds offering assurance of God s complete love and desire for closeness with them **My Time in Heaven** Theresa Arrey, 2016-12-10 A true story of the struggles and miracles God blessed my life with and how it was all for one special moment in time I tell about my experience with Jesus and his Angels and the time I spent in Heaven **Of Life and Time** Clifton L. Pieces of My Path Thomas Riddell,2009-08-28 As the years move on I think many of us don t really consider the subtle but sometimes enormous changes that can take place in the human mind over the course of time We often hear people say I d love to be eighteen again and know what I know now but how many of us would want to put our past lives out there for the whole world to see especially when the path that we ve walked was chest deep in pain and turmoil It was in January of 2006 that I decided to write PIECES OF MY PATH What precipitated my putting finger to keyboard was located in a cardboard box stashed away and wrapped in a black garbage bag high upon a shelf in the guest bedroom closet I was thinking a lot about my dark days and how far I had come from those crippling depressed times in the early 90 s so I decided to pull down that black bag filled with memories and take a peek back into a bleak yet rewarding past

Kendra Moreno,2023-11-17 Hear no evil Philomena thought she had luck on her side when she became a young widow and was fortunate to inherit her late husband s wealth Her life was a comfortable dance between parties and tea a menial pattern that afforded her freedoms most women only dream of Until she wakes up six feet underground Speak no evil The first death is as easy as it is traumatic She claws her way up through the mud only to find a confused Reaper waiting for her The second death makes her realize that something bigger is going on By the third she s had enough See no

evil Four monsters are claiming she s the reincarnation of Lilith and with each death she ll grow closer and closer to fulfilling a prophecy but Philomena had not claimed her freedom only to lose it No matter how tempting the monsters are she will choose her own destiny Even if she has to rip it from fate s dirty hands with her teeth Be no evil Philomena and The Seven Deaths is a dark gothic paranormal romance full of creatures of the night hot monstrous men and a rebellious heroine who s determined to fight until the bitter end Perfect for fans of the Penny Dreadful TV series Check content warnings at the beginning of the book

Jesus Is the Way, Truth, Life Michael Pietrzyk, 2020-08-19 If you cannot comfortably say with confidence that Jesus died for your sins and opens the door of salvation for you or that you deny Jesus then this book is for you So many Christians take Jesus for granted and so many people do not understand His torment and the suffering He endured for us We began a spiritual journey when we enter this world We have a natural body and a world full of responsibilities to challenge us on our journey We are influenced by many outside sources and personal interactions with our family members and friends Ultimately we make the most important decision of our life Do we believe in God and accept Jesus as our Savior or do we reject God and accept atheism When you analyze the facts of the life of Jesus his loving teachings his horrible suffering death and miraculous resurrection you come to understand He did it for you Jesus is the Way the Truth and the Life His teaching brings light into your life Jesus is the gateway to eternal happiness when we leave this world Atheism with its evil influence wants to drag you down and have you reject God Atheists are in total denial about God Jesus supernatural experiences something from nothing and the wisdom in the formation of this universe and mankind Atheists want you to believe you will simply rot in the ground and accept life with no future hope If you are an atheist don t laugh at this thought and concern As a Christian I care for you and your soul That is certainly more than what the atheistic thinking has in mind for you Atheism under the influence of Satan offers you nothing but the door way to eternal conscious separation from God This book is a direct challenge to the thoughts and beliefs of the atheist I wrote this book with the hope it just might stir the mind of a non believer Then believing the Holy Spirit will do the rest
