*Moments of Grace* Janae Hofer, 2022-07-19 Praise for *Moments of Grace* The Bible tells us that the testing of our faith produces perseverance James 1:2-4 You won't find many people who demonstrate perseverance the way Janae Hofer does Her story is inspiring humbling and at times gut wrenching but it will give you insight into the mind and heart of an amazing young woman Jim Daly President Focus on the Family Unaware of her hidden turmoil many are impressed with Janae Hofer's unrelenting drive to open her own law practice despite needing assistance with every physical task because of cerebral palsy a disability hindering her every movement But her life is more than physical struggles It's also joy and sorrow laughter and pain victory and defeat In *Moments of Grace* Hofer narrates her story through her human lens calibrated to God's grace This reflective focus reveals glimpses of the golden thread in all of life's moments She tells how God provided her with a loving Christian family and carefully cultivated friendships Preserving her life despite suicide attempts God granted her strength to persevere when continual underestimation by colleagues and bosses built a steel coffin around her This memoir shares the contrast between Hofer's hopeless feelings at different moments and her grateful perspective as she now looks back Through her story she encourages you to use the recalibration questions to make your perspective on your own life one of gratitude and humility She prays this book will be one tool God uses to point you toward a deeper understanding of his unfailing grace in every moment past present and future

*Intertwining Choices* Cleresse Sprague, 2017-07-10 When I looked at Rosalia's face she was pale as a ghost Her smile was gone and for a brief moment I thought her eyes looked dead This haunting image would stay with me for years Eventually I came to understand why I had the haunting image of Rosalia I had allowed my own unknown prejudice to show through and it targeted her I condoned the prejudice message that said it was okay to treat Rosalia unworthy simply because she was different from me Rosalia was cut deep with the knife of prejudice and the scar would be eternal Our youth today have an array of social issues they are trying to cope with and to comprehend As an example they may struggle with friendship bullying prejudice or drugs Our youth are often confused searching for answers and in need of guidance Parent families school staff the juvenile system church and

civic youth groups and the medical profession are all educators who impact the social development of today's youth. Intertwining Choices is a curriculum designed to aide these educators as they guide our youth through formative years today and to socially empower them as they traverse into the realm of adulthood tomorrow. **A Concise Guide to Technical Communication** Heather Graves, Roger Graves, 2020-11-06 This compact but complete guide shows that less is more with fewer extraneous details getting in the way of students trying to learn on the run it allows them to focus on the most important principles of effective technical communication. The Concise Guide takes a rhetorical approach to technical communication instead of setting up a list of rules that should be applied uniformly to all writing situations it introduces students to the bigger picture of how the words they write can affect the people intended to read them. Assignments and exercises are integrated throughout to reinforce and test knowledge.
