

## Installing with the threaded rod adapter

### Warning

Suspending any object is inherently dangerous and should only be attempted by individuals who have a thorough knowledge of the techniques and requirements of suspending objects overhead. ElectroVoice strongly recommends that installations be suspended using and against all current national, local, state, and federal codes and regulations. It is the responsibility of the installer to ensure all installations are safely installed in accordance with all such requirements. When installations are suspended, ElectroVoice strongly recommends the system be inspected at least once per year or as laws and regulations require, if any exist in your

area in damage is detected, remedial action should be taken immediately. The user is responsible for making sure the wall, ceiling, or structure is capable of supporting all objects suspended overhead. Any hardware used to be pinned or suspended not associated with ElectroVoice is the responsibility of others.

### Notice
