Serving Special Needs Students in the School Library Media Center Margaret Keefe,Robert King,1995-05-30
School library media specialists are now considered part of the teaching staff and are charged with integrating their library and information skills curriculum with the more general classroom curriculum At the same time more and more special needs students are part of every school and every classroom Thus the media specialist must work effectively with special needs students on a regular basis to develop their information skills and must also serve as a resource to classroom teachers This professional reference offers practical information to school library media specialists on how to serve special needs students and their classroom teachers effectively The first part of the book highlights the teaching role of the media specialist and discusses how and what to teach special needs students The second part views the media specialist as an information expert who must structure the library and its resources for students with special needs The third section treats the media specialist s role as a professional who must collaborate with other teachers The School Library Manager Blanche Woolls,Sharon Coatney,2017-11-27 This sixth edition of Library Unlimited s classic school library management text describes new approaches to management and addresses the realities that school librarians face in today s quickly evolving information based world In recent years nearly all school libraries and school librarians have been targeted for having their funding or staffing cut as a result of reductions in school budgets How does a newly graduated LIS professional prepare for a career in this volatile environment How do established librarians and administrators prove their value and necessity to decision makers This freshly updated edition of *The School Library Manager* is an invaluable textbook that leads readers through the many essential management tasks and skills required to administer the successful school library program and beyond It promotes the leadership role of the school librarian in the school and addresses the need for school librarians to provide students with equal access to information The information presented will not only enable librarians to keep their jobs but also supply specific guidance and inspiration that gives readers the ability to make their positions and libraries undeniably relevant and valuable and to ensure a path of upward mobility in their LIS careers **School Library Reference Services in the 90s** Carol Truett,1994 Here is a succinct update on school library reference services for the busy practitioner or student Exploring the state and state of the art of school library reference services in the 1990s this book provides an overview of current information skills teaching models the impact of new technologies on the teaching of reference and the

student search process and assessment and evaluation models for gauging the success of school reference services School Library Reference Services in the 90s is an informative guide for school media coordinators and specialists library science graduate students and professors and researchers in the field to help them understand what students must learn and what teachers must teach to keep everyone up to date in the fast changing world of reference School Library Reference Services in the 90s is divided into three sections that cover reference research teaching models technology and evaluation Topics in the first section include an examination of the current state of affairs in reference teaching a look at various models for integrating library research and reference skills into the curricula and discussions of the effects of these new models on the school librarian's role Section two addresses the profound effect new technologies such as CD ROM multimedia CD I and CD TV are having on both the teaching of reference and information skills and on the entire research process from initiation to production of the final student report The last section presents three models for assessing the effectiveness of school reference services and skills instruction School library reference services and particularly library instruction are changing dramatically in the 1990s as a result of the information age School Library Reference Services in the 90s helps professionals in the field stay abreast of current developments and be more effective in their jobs **Independent School Libraries**

Dorcas Hand, 2010-06-11 The first book published about independent school libraries since 1985 this work offers both the independent school library community and the broader school library community a wealth of insights into excellence in library practice Independent School Libraries Perspectives on Excellence offers readers insights into best practices in library services for school communities using examples drawn from independent schools of various sizes descriptions and locations across the United States Two overview essays introduce a statistical analysis of independent schools Each of the remaining essays provides perspective on a different aspect of library practice including staffing advocacy assessment technology collaboration programs beyond the curriculum intellectual freedom and privacy budgeting accreditation disaster planning and more Because independent school librarians work across divisions and without a mandate to adhere to state or national standards they have the freedom to explore and refine best practice in a school library setting Fortunately the ideas and methods they have developed many of which are on display here can be applied in any school library **The Impact of**
