the immigration debate He argues that opening all borders could eliminate absolute poverty worldwide and usher in a booming worldwide economy greatly benefiting humanity With a clear and conversational tone exhaustive research and vibrant illustrations by Zach Weinersmith *Open Borders* makes the case for unrestricted immigration easy to follow and hard to deny

Economics as an Empirical Social Science Daniel Weißbrodt, 2024-07-08 Economics still adheres entirely unreflectively to a mechanistic worldview and machine thinking Epistemologically it thus remains in the 19th century and its assumptions and theories methods and models therefore stand in stark contradiction to the findings of all other social and natural sciences as well as a multitude of empirical facts Through a discourse analytical examination of sixteen basic concepts in economics based on twelve standard economics textbooks their ideahistorical origin and use are worked out and compared and related to the current state of knowledge of other disciplines This reveals the structural methodological and content errors of economics in a clear manner Especially for critical students who have long been demanding an economics that is in line with the current state of research and faces the challenges of the 21st century this opens up the possibility of a new approach to economics The Content Discourse analytical examination of fundamental assumptions and concepts of economics from labor to wealth Structural methodological and content critique of economic thinking from an epistemological perspective Critical examination of the use of empirical and statistical data the method of gaining knowledge and the model thinking in economics

Essentials of Economics in Context Neva Goodwin, Jonathan M. Harris, Pratistha Joshi Rajkarnikar, Brian Roach, Tim B.
