When Things Happen at Work (Revised) Hugh J. Finlayson, 2022-08-19 THINGS HAPPEN AND THINGS HAPPEN AT WORK. SOME GOOD, SOME NOT SO. More often than not, a situation at work emerges as a tangle of what people think and believe to be so, animated by differing perspectives on what happened, who or what caused it, and what to do next. A puzzle of sorts, and like all puzzles, tests your ingenuity and knowledge. This tangle of circumstance is set against a familiar backdrop: the real organization, a web of employment rules, a need for information, can be characterized as a conflict of sorts, necessitating a measure of negotiation and, of course, requiring a series of informed decisions. SO LET'S FIGURE OUT HOW TO MAKE WISE CHOICES. *When Things Happen at Work: People, Circumstances, and What to Do Now* is a compendium, a collection of concise but detailed information about the interrelated conditions in which work and workplaces exist and events occur, conflict, the inevitable result of people associating with one another, negotiation to reconcile that conflict, our primary interpersonal decision-making process, and finally, best practices to manage workplace incidents that invariably arise. A practical balance between theory and practice, *When Things Happen at Work* is a comprehensive guide on key employment matters. A mix of personal experience, pragmatism, and theory makes *When Things Happen at Work* an essential resource for managers, human resource practitioners, and those responsible for inquiring into and/or investigating matters at work.
