Ethics Integrity And Aptitude Paper:

ETHICS Integrity & Aptitude Virendra Singh, 2018-01-05 Ever since the introduction of Ethics Paper in IAS Mains General Studies GS Paper 4 Civil Services aspirants are in a dilemma As ethics is not a conventional area taught in schools colleges it is quite natural from the candidates point of view to ponder about the questions to be asked from the same But there is no need to panic and if properly handled this area can in fact turn high scoring Decision Making Interpersonal Skills section seen at the last pages of Prelims CSAT Paper 2 is the first stage where UPSC check the ethics angle of Civil Services aspirants But Ethics as part of Civil Services GS Mains has much wider dimensions Ethics as a Subject in IAS Mains GSYes this is how you should treat ethics for IAS Mains from the year 2013 treat it as a subject Just like History Geography or Polity consider Ethics as a separate subject with more or less a definite syllabus Ethics as a subject has its roots in Philosophy Psychology Sociology and Public Administration But at the same time UPSC does not seem to expect candidates writing too much technical answer into ethics paper as this paper is part of General Studies A fresh writing style clear thinking and wide reading is what you need to score high in ethics paper Now let s take a quick look at what UPSC s view on the newly introduced ethics paper This paper will include questions to test the candidates attitude and approach to issues relating to integrity probity in public life and his problem solving approach to various issues and conflicts faced by him in dealing with society Questions may utilize the case study approach to determine these aspects Preface3What should you expect in Ethics Integrity and Aptitude Paper for IAS Mains The below mentioned areas can be expected based onUPSC syllabus of ethics for GS Mains as well as 2013 ethics question paper The areas tested in this paper Candidates attitude and approach Field of testing Integrity Probity in public life and Problem solving approach The presence of case studies is more or less certain As the paper is of 250 marks expect theory questions apart from the mentioned case studies Areas mentioned in Ethics Integrity and Aptitude Paper of GS Paper 4 Ethics and Human Interface Comment This is one area where you can expect theory questions covering the basics of ethics human values and lessons from the life of great leaders Attitude Your attitude in relation with thought and behavior Aptitude Checks whether you have an aptitude for Civil Services Emotional Intelligence A crucial mental quality don t confuse with IQ Contribution of moral thinkers and philosophers Comment See the relationship of the ethics paper with Philosophy and Sociology Ethics in Public Administration This is one major area where you can expect lot of quality questions covering topics like Corporate Governance Rules Laws Conflicts etc Probity in Governance RTI related matters What to Study for Ethics paper in IAS Mains GS As mentioned before treat Ethics as a separate subject like History or Polity Going through the UPSC Mains ethics GS4 previous year question papers it becomes clear that conventional rote learning will not turn fruitful here What one needs is awareness about himself herself Good writing skills are a must Devote time for preparation and reading that will make you better equipped Treating Ethics paper as a subject to attempted directly at exam hall without preparation may not turn beneficial for you Though extensive preparation for other subjects

might not turn necessary for this paper a casual approach is not advised Toppers who scored well in ethics paper was serious about this paper and didn't take this lightly Virendra Singh
