Resources in Education ,1992-04 **Challenges and Prospects in African Education Systems** Soji Oni,2013-11-14

Challenges and Prospects in African Education System The general idea this book is trying to disseminate is to inform readers about the compelling challenges and prospects in African system of education As we all know when issues of Africa educational system is raised the first set of thoughts that come to mind is decline in standard deterioration of facilities examination malpractices cult crises or school based violence shortage of teachers underqualified teachers and poor teachers performance which results in poor learning standards lack of classroom discipline that is exacerbated by insufficient resources and inadequate infrastructure failure of appropriate inspection and monitoring and confusion caused by changing curricula without proper communication and training All these have led to massive demoralization and disillusionment among teachers and a negative and worsening perception of African system of education This therefore calls for in depth analysis aimed at tutoring every stakeholder in education on how their action and inactions have individually and collectively contributed to the collapsing state of education in Africa However the prospect is that Africas recovery and sustainable development can only be guaranteed through expansion and sustenance of both quantitative and qualitative of the continents stock of human capital through education In order for education to realize its key role in development it must be provided to the younger segments of African society as quickly as human and financial resources permit with the ultimate goal of developing a comprehensive meaningful and sustainable system of education at all levels and for all age groups This is the message that this book puts across in the six knitted sections *The Education Gazette of the Province of the Cape of Good Hope* Cape of Good Hope (South Africa). Education Department,1980 *Films and Other Materials for Projection* Library of Congress,1978 *The College Handbook* ,1994 **Resources in Education** ,1992 Journal of the Federated Institutes of Brewing Institute of Brewing (Great Britain),Institute of Brewing (Great Britain).,1996 Life Insurance Courant ,1963 *Who's Who in America* Marquis Who's Who, Inc,2002 **The Third Factor of Production** Arthur James Ogilvy,1898
