**The New Power Elite** Alan Shipman, June Edmunds, Bryan Turner, 2018-04-13

Elites have always ruled wielding inordinate power and wealth taking decisions that shape life for the rest In good times the 1% can hide their privilege or use growing social mobility and economic prosperity as a justification When times get tougher there s a backlash So the first years of the twenty first century a time of financial crashes oligarchy and corruption in the West persistent poverty in the south and rising inequality everywhere have brought elites and establishments under unprecedented fire Yet those swept to power by this discontent are themselves a part of the elite attacking from within and extending rather than ending its agenda The New Power Elite shows how major political and social change is typically driven by renegade elite fractions who co opt or sideline elites traditional enemies It is the first book to combine the politics economics sociology and history of elite rule to present a compact
