Reengineering with Service Blue Staffer was designed to help all staff, managers, and all other employees bring new ideas, solutions, and new products, technology, innovation to a project that will make working at the US Coast Guard more fun, safe, and successful.

While we will always continue to be a part of ongoing research that gives light to the lives of children with autism, we are now focusing our efforts on the education of young, gifted and talented students. We intend to continue to support the needs of these students and to provide them with the resources they need to succeed.
