THE COMPLETE HITCHHIKER'S GUIDE TO THE GALAXY SERIES Don't panic First a legendary radio series then a

sequence of bestselling books a television series a computer game a little known Belgian progressive rock opera a blockbuster movie and finally this handsome hardback edition primarily intended as a blunt object with which to bludgeon one's enemies The Hitch Hiker's Guide to the Galaxy is one of the greatest fictional enterprises of the twentieth century Telling the long circuitous and often inexplicable story of Arthur Dent left homeless and rather annoyed after the Earth is destroyed in order to build a hyperspace expressway this edition collects all five parts of the trilogy The Hitch Hiker's Guide to the Galaxy The Restaurant at the End of the Universe Life the Universe and Everything So Long and Thanks For All the Fish Mostly Harmless along with a wealth of extra material prefaced and contextualised by Jem Roberts the official biographer of Douglas Adams to complete the canon Introduced by Richard Dawkins and Nick Harkaway

**The Ultimate Hitchhiker's Guide to the Galaxy** Douglas Adams, 2010-09-29 In one complete volume here are the five classic novels from Douglas Adams's beloved Hitchhiker series Now celebrating the pivotal 42nd anniversary of The Hitchhiker's Guide to the Galaxy soon to be a Hulu original series The Hitchhiker's Guide to the Galaxy Nominated as one of America's best loved novels by PBS's The Great American Read Seconds before the Earth is demolished for a galactic freeway Arthur Dent is saved by Ford Prefect a researcher for the revised Guide Together they stick out their thumbs to the stars and begin a wild journey through time and space The Restaurant at the End of the Universe The moment before annihilation at the hands of warmongers is a curious time to crave tea It could only happen to the cosmically displaced Arthur Dent and his comrades as they hurtle across the galaxy in a desperate search for a place to eat Life the Universe and Everything The unhappy inhabitants of planet Krikkit are sick of looking at the night sky so they plan to destroy it The universe that is Now only five individuals can avert Armageddon mild mannered Arthur Dent and his stalwart crew So Long and Thanks for All the Fish Back on Earth Arthur Dent is ready to believe that the past eight years were all just a figment of his stressed out imagination But a gift wrapped fishbowl with a cryptic inscription thrusts him back to reality So to speak Mostly Harmless Just when Arthur Dent makes the terrible mistake of starting to enjoy life all hell breaks loose Can he save the Earth from total obliteration Can he save the Guide from a hostile alien takeover Can he save his daughter from herself Includes the bonus story Young Zaphod Plays It Safe With droll wit a keen eye for detail and heavy doses of insight Adams makes us laugh until we cry San Diego Union Tribune Lively sharply satirical brilliantly written ranks with the best set pieces in Mark Twain The Atlantic

new hyperspace bypass For Arthur Dent who has only just had his house demolished that morning this seems already to be rather a lot to cope with Sadly however the weekend has only just begun The Galaxy may offer a mind boggling variety of ways to be blown up and or insulted but it s very hard to get a cup of tea The Restaurant at the End of the Universe When all questions of space time matter and the nature of being have been resolved only one question remains Where shall we have dinner The Restaurant at the End of the Universe provides the ultimate gastronomic experience and for once there is no morning after to worry about Life the Universe and Everything Following a number of stunning catastrophes Arthur Dent is surprised to find himself living in a hideously miserable cave on prehistoric Earth However just as he thinks that things cannot get possibly worse they suddenly do An eddy in the space time continuum lands him Ford Prefect and their flying sofa in the middle of the cricket ground at Lord s just two days before the world is due to be destroyed by the Vogons Escaping the end of the world for a second time Arthur Ford and their old friend Slartibartfast embark reluctantly on a mission to save the whole galaxy from fanatical robots Not bad for a man in his dressing gown So Long and Thanks for All the Fish There is a knack to flying The knack lies in learning how to throw yourself at the ground and miss It s not an easy thing to do and Arthur Dent thinks he s the only human who s been able to master this nifty little trick until he meets Fenchurch the woman of his dreams Fenchurch once realised how the world could be made a good and happy place Unfortunately she s forgotten Convinced that the secret lies within God s Final Message to His Creation they go in search of it And in a dramatic break with tradition actually find it Mostly Harmless Arthur Dent has settled down on the small planet Lamuella and has embraced his role as a Sandwich Maker However his plans for a quiet life are thrown awry by the unexpected arrival of his daughter There s nothing worse than a frustrated teenager with a copy of the Hitchhiker s Guide to the Galaxy in their hands When she runs away Arthur goes after her determined to save her from the horrors of the universe After all he s encountered most of them before This publishing phenomenon began as a radio drama and now exists in a number of wildly contradictory versions including a TV series a movie and a towel this version produced by Douglas Adams original publisher is at least definitively inaccurate
