**How to Win Over Depression** Tim LaHaye, 2009-08-30 Depression is today's leading emotional problem with a skyrocketing number of reported cases. But there's much hope for those who suffer. If you or a loved one struggle with depression, whether mild or severe, Dr. Tim LaHaye assures you that there is a way to overcome those dark, hopeless feelings, even if previous counseling hasn't helped. With over one million copies sold since its first printing in 1974, *How to Win Over Depression* has made a life-changing difference for countless people worldwide. Now completely revised to incorporate the latest research, this book outlines principles from the Bible that can help you put depression behind you and keep it there, regardless of your circumstances. Dr. LaHaye examines the causes and treatments of depression, including physical imbalances and the therapeutic use of antidepressants. Then, in simple language, he describes his own approach, one that's proved successful time and again for over twenty years. Digging beyond the physical and emotional components of depression, Dr. LaHaye takes you to its spiritual root and provides a means for eradicating it from your life. So whether it's just a case of the blues or a serious, overwhelming sense of despair, depression doesn't have to master you. Learn how you can master it with *How to Win Over Depression*.

**How to Win at The Challenge and Life** Sydney Bucksbaum, 2024-09-03 You've seen the rivalries. You've witnessed the blood, sweat, and tears. You've celebrated the champions. But what does it really take to win MTV's *The Challenge*? And what happens after the cameras stop rolling? Since 1998, MTV's *The Challenge* has tested competitors' physical, mental, and emotional endurance. Some go on to become Challenge legends, going down in history as players who changed the game forever. But for each champion, there are dozens more who try and fail over and over again to earn the title. In her time covering the show, pop culture journalist and Challenge superfan Sydney Bucksbaum has gotten to know many of the champs, gaining an insider's knowledge of what goes into making a winning strategy and how difficult it is to actually pull it off. Here, she profiles twenty-one of the most popular, successful, and infamous champions and reveals not only how they won *The Challenge* but also how they applied the skills they learned from the experience to their personal lives and careers. From seven-time winner Johnny Bananas to *Deve Nanzio Challenge Godfather* Mark Long OG champ Veronica Portillo, elimination beast Emily Schromm, to most improved competitors Cara Maria Sorbello and Chris C.T. Tamburello, the best in the game look back at their decades of hard work, including the euphoric highs, devastating lows, and everything in between. Eye-opening and inspiring, *How to Win at The Challenge and Life* is the must-have book for any and all fans looking to level up their own lives and learn never-before-heard stories from the people who have dominated the show in every way.
