12 pt Times New Roman font

Double Spaced

1 inch margins

Always write in third person

Write in Full Sentences except for the materials list

Each class must write at least one Formal Lab Report

Each lab report should equal 50 – 100 points (approx one test grade)

Important Reminders for a Lab Report

Check Spelling

Use Significant figures and units regarding measurements and calculations

Avoid personal pronouns

Headings should stand out and each section should be separated by 1 line

Neatness counts -> use rulers when needed (especially when using tables and graphs), type if possible

Do not copy verbatim (word for word) from the lab handout or any other source. This is plagiarism and would result in a zero mark and possible further consequences.

Title- Heading, Name, Name of Partners, Class Name, Teacher Name, Date Lab Report

Introductory Paragraph – This section should be written in complete sentences and should connect lab concepts to class content. The introduction should provide background information on the history of the concepts tested, scientists, theories, and any laws tested in the experiment. Cite Sources Used. The introduction should contain any prior knowledge on which the experiment is based including an explanation of principles, definitions, experimental techniques, theories and laws.
