**Hotspot Networks**

Daniel Minoli, 2002-09-25 The first to market detailed guide to hotspots the killer app for 802.11 provides need to know information on these open to the public wireless networks that are springing up in hotels airports cafes and even parks Using this resource engineers can cost design configure implement and install hotspots or develop service applications in this hot new market Written by Dan Minoli one of the top voices in networking this reference tells readers how to deliver wireless Internet and telecom that s 40 times faster and 1/10th the cost of conventional networks Walks designers through components design options cost benefits and operating obstacles of hotspot networks Reports on the early players in the field and details what products are coming to market Brings developers up to speed on WiFi Wireless Fidelity technology Overcome operating glitches Find solutions to security problems Explains enabling technologies components and design options

Updating the UN Guidelines for Consumer Protection for the Digital Age Jeremy Malcolm, 2013-06-01 The United Nations Guidelines for Consumer Protection are an influential declaration of best practices in consumer protection law and policy But as they were last amended in 1999 they are now overdue for an update not least in areas where advances in technology have affected consumers such as access to knowledge Internet and telecommunications services e commerce and digital products and services Consumers International CI as the global campaigning voice for consumers is well placed to make recommendations about what amendments should be made to address these new and emerging areas of consumer rights This publication which is a companion volume to a broader set of amendments developed by CI explains our reasoning

behind those proposed amendments that particularly affect consumers in the digital age A focus of this volume and of the Guidelines themselves is on how effective consumer laws and policies can benefit consumers in developing and emerging economies As such in depth analysis is provided of how the proposed amendments relate to consumers in India Brazil and South Africa either by reflecting existing best practices in those countries or by shining light on problem areas that the proposed amendments could help address      **Networking in Easy Steps** Steve Rackley,2004      *Android Unplugged* PCWorld Editors,2013-07-19 Are you a little at sea on how to use your new Android device Don t feel bad While Google s phone and tablet operating system is powerful and flexible it s easy to flounder in its ocean of options and features Here are some tips for Android that will help you get the most out of your device without having to take a course at your local Learning Annex
