

Example Research Paper

The following paper is an example research paper which you can use as a model for your research paper. Your paper should include more details and go more in-depth about your topic, but this paper shows the general outline you should follow. Pay attention to the facts that are cited using in-text citations. Remember to put information that is word-for-word in quotes. Ideas that are from an author but put into your words also need to be cited but not put in quotes. Please remember you can always ask Miss Maze for assistance!

Research Paper Introduction Paragraph Example

Attention Grabber: Have you ever wanted to play a sport that is fast and requires a lot of skill? Have you ever wanted a competitive game that involves a lot of endurance? If you have, then lacrosse is a great sport for you. **Supporting Sentences:** John Doe says, "Lacrosse is a game of thrills and excitement. There is always something entertaining going on" (Doe 44). This sport always has thrilling action going on, which makes playing that much more enjoyable. "Playing lacrosse always boosts my mood. It gets my mind concentrating, and my body gets pushed to the limit" (Smith 45). **Thesis Sentence:** Lacrosse is a great game because of the game's speed, the aerobic endurance needed by the players, and the game strategies involved.

Research Paper First Body Paragraph Example

Transition Sentence: To begin, lacrosse is a wonderful game due to the speed of the game. **Supporting Sentences:** John Doe says, "The game of lacrosse can change in the blink of an eye, from one shot to one save to one interception" (Doe 44). This sport always has incredible passes and quick game play. "Playing lacrosse means always being in the game: mentally, physically, and emotionally. If you let down for one second, you could ruin the whole game" (Smith 45). Some lacrosse players can shoot the ball at incredible speeds, and some players are incredibly quick. Bob Jones says, "Lacrosse is such an amazing sport. It is almost like a combination of hockey and soccer.

One of the least expensive first year writing textbooks on the market, the text isn't inflated with material that most instructors and students won't use, and several exercises encourage students to use either provided web or YouTube links as texts supporting their practice for longer assignments. If you're a first year writing instructor and would like to consider this text for your course, email the author at brightfuturespublishing@gmail.com for a desk copy An Introduction to Literary Studies Mario Klarer, 2023-07-31 The fourth edition of this classic beginner's guide to literary studies has been fully updated throughout. Mario Klarer offers a concise and accessible discussion of central issues in English and world literature as well as film and television series. Starting with the basics of what constitutes a literary text, the book moves through an analysis of major genres, important periods, and key theoretical approaches to literature and film. It also looks at the practicalities of finding and referencing secondary sources when writing a research paper. The expanded new edition has been updated to include a wider range of examples from world literature, cinema, and television series; additional references to contemporary streaming formats; updated chapters on postcolonial theory, cultural studies, gender theory, feminism, and queer theory; new sections on digital humanities, ecocriticism, literary translations, and paratexts; extended explanations of traditional genres, e.g. the epic, drama, and poetry; a completely revised chapter on the most recent MLA guidelines with rules for citing new media formats. The detailed glossary ensures that the book is accessible to readers of any level, making this an ideal self-study guide or a course book for Introduction to Literature classes Qualitative Research in Education Marilyn Lichtman, 2006-03-23 While there are many qualitative research methods books on the market, few are comprehensive enough to support an entire course, and few are oriented specifically to research in education.
