How I Filmed the War (WWI Centenary Series) Geoffrey H. Malins, 2020-07-14 In the following chapters I have merely aimed at setting down in simple language a record of my impressions so far as I can recall them of what I have seen of many and varied phases of the Great Drama which has now been played to a finish on the other side of the English Channel Most of those recollections were penned at odd moments soon after the events chronicled when they were still fresh in mind often within range of the guns It was my good fortune for two years to be one of the Official War Office Kinematographers I was privileged to move about on the Western Front with considerable freedom My actions were largely untrammelled I had my instructions to carry out my superiors to satisfy my work to do and I endeavoured to do all that has been required of me to the best of my ability never thinking of the cost or consequences to myself of an adventure so long as I secured a pictorial record of the deeds of our heroic Army in France This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to

mark the passing of one of the world's bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context **Through Palestine with the Twentieth Machine Gun Squadron (WWI Centenary Series)**

Anon,2021-01-08 This Booklet has been compiled with the object of enabling the members of the 20th Machine Gun Squadron to recall the principal incidents in its history as well as to allow their friends and relations to obtain some idea of their experiences whilst they were serving with the Egyptian Expeditionary Force Although no pains have been spared to obtain accuracy the statements made must necessarily not be regarded as absolutely authoritative Beyond doubt many brave deeds fully deserving of mention in these pages must have been unavoidably overlooked in which case the leniency of readers is requested This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world's bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context **War,**

Peace, and All that Jazz Joy Hakim,2002-09-09 Presents the history of America from the earliest times of the Native Americans to the Clinton administration *Lonely Planet France* Lonely Planet, *The Bloody White Baron* James Palmer,2009-02-10 In the history of the modern world there have been few characters more sadistic sinister and deeply demented as Baron Ungern Sternberg An anti Semitic fanatic with a penchant for Eastern mysticism and a hatred of communists Baron Ungern Sternberg took over Mongolia in 1920 with a ragtag force of White Russians Siberians Japanese and native Mongolians While tormenting friend and foe alike he dreamed of assembling a horse borne army with which he would retake communist controlled Moscow In this epic saga that ranges from Austria to the Mongolian Steppe historian and travel writer James Palmer has brought to light the gripping life story of a madman whose actions fore shadowed the most grotesque excesses of the twentieth century
