pastoral experience Practical and convincing his straightforward style brings real solutions to the evangelistic Achilles heels of attrition He reminds us of what has been forgotten and calls us back to our relational roots Pr Ron Kelly Senior Pastor Village Seventh day Adventist Church Berrien Springs Michigan United States of America Seeking the Lost Keeping Them Making Them Disciples by Dr Benoit Petit Homme is a handy Christ based discipleship resource that will contribute to the mission of training and equipping church ministry leaders in the evangelistic work of reaping retaining and nurturing new believing Christians This is a must read for church officers pastors and ministry directors in the Christian church Ron C Smith PhD D Min President Southern Union Conference of SDA Every year many thousands of people hear the Good News of Jesus Christ and choose to be baptized and join a church community Unfortunately it is also true that every year many new converts leave a church relatively shortly after joining The specific reasons that each person leaves the church could fill a book by themselves but they all boil down to one thing a lack of focus on the part of the church community on turning converts into disciples of our Savior A disciple of Christ does more than attend church services A disciple is an active member of the church community A disciple is a witness to others A disciple seeks to grow the church by seeking to lead everyone they meet to Christ Dr Benoit Petit Homme is a committed disciple of Christ and after extensive study of exactly why new converts leave the church he has developed a process by which any church can make disciples All it takes is a little extra work a bit of encouragement and an unwavering faith in the Lord
