Pearson, 2012-08-14 Can Detective Joe Dart Dartelli uncover the truth Or more importantly does he dare Detective Joe Dart
Dartelli made one critical mistake in his police career He chose to ignore a piece of evidence in a case labeled a suicide that
might have been a murder The dead man was himself a vicious woman killer who more than deserved his fate but that
ignored evidence pointed to Dart's former mentor the brilliant forensic specialist Walter Zeller Now another suicide victim
turns up the body of a wife beater and the evidence clearly shows that the death was self inflicted or does it Zeller was the
best at reading and understanding the forensics of a crime scene could he have manipulated it Worse why has Zeller
disappeared It terrifies Dart to suspect that Zeller is in fact on some twisted vigilante crusade but Dart also knows that if he's
right only he can stop it Chain of Evidence is the intense heart pounding story of student versus mentor in the playing field of

forensic investigation Ridley Pearson links computer technology psychological intensity and complex questions of police and human ethics to create this breathlessly paced unputdownable thriller *Burning Embers* Wayne Pearson, 2008-06-17 There is no available information at this time
