My Hobby Essay

A hobby is a recreation of our pastime. Something we do in our leisure moments is called a hobby. The people who keep a hobby, have a pleasant occupation of leisure moment. Our hobby gives us a lot. We can adapt our hobby as our profession. Our hobby keeps us busy all time long. Our hobby shows us our interest. Each one must have a hobby. There are many kinds of hobbies because everyone likes to do something in his or her free time. Some people like painting, some like dancing, some like singing, while some people like playing. People who take specific hobbies in advance could also proceed to become a successful painter, dancer, singer or player they desire to become. O

ne must acquire any useful hobby to get an eminent profession. My hobby is very useful. It is reading. I know very well that reading makes a full man and also a man who develops the hobby of reading books is always happy because books are the source of enjoyment, inspiration and instruction. We can say that those who do not have the hobby of book reading are really poor because they possess only the worldly wealth but not the wealth of knowledge. However, it is important that one should acquire the hobby of reading books at a young age. My hobby gives me a lot of knowledge. My hobby always keeps me busy. Because of my hobby, I always have a pleasant occupation of leisure moments. My aim is to become a successful businessman, so I am rearing my hobby of book reading. Currently I am reading a book by Napoleon hill and I am assured that his books are very helpful to fulfil my aim. There are many people who have real talent in different areas, and yet never accomplish anything, because they not only preserve but kill their hobbies, in this way good and useful things are lost. We can say that a man's hobby never goes waste, but it should be directed in the appropriate direction.

Sometimes a great deal of talent is lost in the world for the lack of bringing up the hobby. It is also important that one must recognize his hobby at his young age I personally feel so grateful because these writers really keep us from a lot of paining failures we would experience on our path to success. They really save us a lot of time we would spend learning all these things by our own experience. Now, since they have gone through the process of getting what we want today, it is only prudent that we learn from them. This is especially so because they are willing to share their experience with us in the form of written material. Indeed, reading is important because words spoken or written are the foundations of life. I hope that what I have said makes a positive change to your life and might also spar
