Victorious Deliverance

My Journey To Jesus:

My Journey To Jesus Kristie L French, 2024-03-08 This book is written from the author's heart. In the beginning she didn't understand who Jesus or the Father was. Through struggles and fears her journey began. Making the wrong choices led her to more difficulties in knowing which direction she should go. One day a little bundle came into her life and brought joy and love. Now she had more choices to make because she wasn't alone. The day finally arrived when the author learned of unconditional love and salvation. She was now finding her way to the right path. Soon to follow heartache and sorrow entered her life. A trial crept in and challenged her to the heart. The author has written this book with honesty and truthfulness. There were times when she had to ask Father if he was sure he wanted her to write down certain events. Of course he always said yes. 2

My Journey To Jesus Tom Lee, 2015-07-07 This is the story of how one man cruised through life dealing with ups and downs in his Christian faith. It's much more than just a biographical description though as that would probably be pretty boring. There were a number of questions and issues that had to be dealt with during this journey and they all had an influence on his faith. An understanding of each of these and a description of how they impacted his life is a primary part of the book. The positions that were developed allowed his faith to be fortified and strengthened his relationship with God. Topics that are covered include sin, evil, death, judgmental behavior, creation, forgiveness, the second coming of Jesus Christ, and several potentially confusing topics such as baptism, communion, and the Trinity. It is certain that everyone won't be in full agreement with the positions given, but they work for him. God has led him to these positions to strengthen his faith and bring him closer. They certainly don't make him perfect as he is still a sinner, but they do show that he can be forgiven through the sacrifice of Jesus Christ. God can lead other folks to a very different understanding of these issues, and these differences should not cause serious conflicts between individuals. No one is perfect or has complete knowledge of God's plan for His universe. You can look for and find your own understanding of these same or similar questions with the help of the Holy Spirit. When your faith is fortified and you feel closer to God, you'll know you've got it. The information in this book may help you think about what's right for you. As you read, this remember there are two great commandments: Love God and love your neighbor as yourself. Keeping these forefront in your mind is the best way to live your life in a God-pleasing way. **My Journey with Jesus Christ** Corine Hyman, 2013-05 My Journey with Jesus Christ is a personalized devotional designed to help a child grow in their relationship with Christ while teaching them the key principles of the Christian faith. With places to write the child's name and sections to paste photos, draw pictures, and write the child's thoughts as they learn, the book is sure to be a life-long treasure in their heart. This book covers ten different lessons including: 1 Jesus Loves You 2 God Keeps All His Promises 3 God Hears and Will Answer Your Prayers 4 God Speaks to You Through His Word 5 God has a plan for your life 6 God is Powerful 7 God is in Control 8 Jesus Died for Your Sins 9 God's Angels are Watching Over you 10 Jesus is Coming Again. Mark Leonard Doohan,2016-08-31 Mark is one of the most daring figures of the early church but at the same time he is not easily labeled He is the first to assemble the oral traditions about Jesus thereby showing his fidelity and devotion to the past But he is equally forceful in challenging his own church s accumulated traditions especially those he does not see as authentically representative of the events of Jesus s life and ministry He respectfully documents the authority of church leaders and still feels free to challenge them At times it is difficult to know what to make of Mark One point is clear no Christian of any time can read this gospel without being challenged by it **Mark** Timothy J. Geddert,2001-01-23 Timothy J Geddert views Mark as a profound theologian and accomplished writer not a mere compiler of traditions Mark s text provokes careful reflection on its subtle and challenging message of hope and its call to faithfully follow Jesus on the way Mark s Gospel speaks plainly yet sometimes in riddles of God as revealed in Jesus of Nazareth the Christ the Son of God Mark presents God s reign its present hiddenness and future glory and its surprising way of coming Mark is also about Jesus and his followers crossing barriers to pass God s grace on to those formerly excluded Mark s resurrection message is open ended Readers supply their own ending not just in words but by following their resurrected Lord Includes essays on themes useful for teaching preaching and Bible study bibliographies charts two maps and an index of ancient sources Both Here and There Dennis Chadwick,2018-05-30 Chadwick moves the talk about concentric parallelism chiasm in biblical prose out of academia and into the pastor s study The author displaces
