

NIGHT BY ELIE WIESEL - BLACKOUT POETRY ACTIVITY!

Night by Elie Wiesel Blackout Poetry

Creating a blackout poem looks like an easy process, but it is actually much more complicated.

Steps:

1. Read the page first looking for keywords. A key word could be something like "prisoner" or "Nazi," something you know you could find a strong poem around. Lightly circle these words with a pencil (working with these words is essential).
2. Then, you can look for words to help your key words make sense. For example, if you found "prisoner" and "Nazi" as the first words, you might look for words containing words like "Nazi" and "Nazi" to create a flow that reads "the prisoner is a Nazi."
3. When you are choosing key words and finding those words again, try to avoid phrases. The poem is to come out of the text, not just highlight phrases from the original piece of literature.
4. When you are all the words you have lightly circle and underline that it satisfies the requirements for the poem and that it makes sense. If it doesn't make sense, this is your last chance to make the poem perfect before you start working on the poem.
