Traveling in Spanish countries can be hard Believe me I'm a frequent traveler and I've been all around the world I've been in Europe Asia and South America and I have to say that of all the places that I've been I've never found more caring and lovely people than in Spanish countries Maybe it is their past maybe it is their language but they are always available to give you a hand talk to you have fun grab a drink and generally have a good time But the language barrier might be hard You might find yourself trying to say something and the interlocutor understanding another thing entirely It might be quite frustrating and then you end up using your fingers or pointing to what you want and to be honest it's quite ridiculous and a bit childish That's why I'm writing this book to help you on your travels so if you want to take a trip to a Spanish Country you won't find it hard to express yourself And I will not just explain you some phrases in Spanish to ease your life in your trip I will also teach the differences between countries and how to travel from one place to another So if you were planning a trip or maybe you are already in one and found yourself in a problem this is the book for you I hope it helps you with anything that might arise on your trip get your copy today
